KEEP OUT OF REACH OF CHILDREN
WARNING

If in eyes
• Rinse eyes immediately with plenty of water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.
• Call a poison control center or doctor for treatment advice.

If on skin:
• Wash with soap and water.
• Remove contaminated clothing and wash before reuse.

If swallowed:
• Do not induce vomiting.
• Give 1 or 2 glasses of water.
• Call a poison control center or doctor for treatment advice.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN AND DOMESTIC ANIMALS

WARNING
Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear, such as safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Not for personal cleansing.

Physical or Chemical Hazards
Flammable. Keep away from heat and open flame.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Information: This product can be used on food contact surfaces, such as sinks, countertops, refrigerated storage, food toys, tables and chairs, appliances, grocery carts, thermometers, pruning shears, control panels, tools, door handles, sinks, display equipment and other hard, non-porous surfaces. Do not use this product to sanitize eating utensils, dishes, glassware, cookware, wood cutting boards and surfaces that are porous or areas that the wipe cannot reach or penetrate.

Alpet D2 Surface Sanitizing Wipes is a ready-to-use surface sanitizer that kills 99.99% of the following bacteria in 60 seconds on hard, non-porous surfaces: Staphylococcus aureus (ATCC 6538) and Escherichia coli (ATCC 11229).

Precautions for Use:
1. Disinfectants are additions to water and will affect the taste and odor.
2. Use a clean, dry, lint-free cloth to remove the disinfectant from the surface.
3. Do not use on plastic, rubber, vinyl or non-sanded wood.
4. Do not use on wood or plastic surfaces that are damp or wet.

Warnings:
1. Use only as directed.
2. Do not use on porcelain, stainless steel or other metal surfaces.
3. Do not use on ceramic, porcelain, or metal surfaces.
4. Do not use on glass, porcelain or other delicate surfaces.

Dissolve contaminants:
1. Do not use on glass, porcelain or other delicate surfaces.
2. Do not use on metal surfaces.
3. Do not use on wood or plastic surfaces that are damp or wet.

Safe to use on:
1. Use on hard, non-porous surfaces.
2. Use in food processing plants, retail and food service establishments.

Dispensing Directions: Unpack and remove the H20. Insert the provided H20 into the container. Insert the SU-CO2. Insert the SU-O2. Press the dispense button to release the SU-CO2 and SU-O2. Release the button to stop the dispensing process.

To Sanitize: Use Alpet D2 Surface Sanitizing Wipes on pre-cleaned surfaces only. On a clean surface, use Alpet D2 Surface Sanitizing Wipes to sanitize as directed. Treated surfaces must remain saturated for 60 seconds in order to achieve verification. Let air dry. Do not rinse. Discard wipe when no longer saturates the surface or becomes dry. Do not reuse wipes that have dried out.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

Storage: Keep this product under locked storage sufficient to make it inaccessible to children or people unfamiliar with its proper use. Store in a cool, dry area away from flames, sparks or other sources of heat or ignition. Do not store dry chemical or CO2 extinguisher.

Wipe Disposal: Store only in the original container. Do not reuse wipes. After each use, dispose of used wipe immediately in trash. Do NOT FLUSH. Container Disposal: Non-refillable container. Do not reuse or refill this container. Offer for recycling if available.
