Total 100.00%
EPA Est. No. 43K-1 EPA Reg. No. 44333

Keep Out Of Reach Of Children
CAUTION (See Back Panel for Additional Precautionary Statements and First Aid)
Net Weight 4 lbs.
### DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use on or about bees or for any other commercial purpose.

**For Dousing Plants:** Be sure to lightly coat all plant surfaces. Do not apply when bees are active or expected within 4 hours. Do not apply when plant leaves are wet or expect rain within 4 hours. For Dousing Non-Plant Surfaces: Use this container or another suitable mechanical device such as a backpack sprayer. Make a light application following the specific directions for the use area listed on the label. Apply only as a spot treatment. Do not broadcast. Equipment used should be rinsed or cleaned immediately after use.

**Susceptible Sites:** Colorado Potato Beetle, Vegetable Lethal Nematodes, **Malus**, **Morus**, **Prunus**, **Psoralea**, **Solanum**, **Vitis**

**Use:** Apply as needed to control insect or disease pressure. Do not exceed 8 applications per season. Do not apply more than 4 applications per season. Do not apply more than 2 applications in any 21-day period. Do not exceed 40 applications per year. Do not apply to fruits, vegetables, or ornamentals. Do not apply within 10 feet of any man-made water source or any other water source.

**Precautionary Statements:**

- **Toxic to honey bees.** Do not allow bees to enter the area until 48 hours after application.
- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area. Do not treat or allow use of this product near water sources.

**Storage and Disposal:**

- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area.
- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area.
- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area.
- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area.

**Environmental Hazards:**

This product is extremely toxic to fish. Drift and runoff from treated areas may be hazardous to aquatic organisms in treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, ditches, groundwater, or surface waters. Applying this product on or near waters or streams is not allowed. Do not apply to waterfowl feeding areas or any other area that could be washed into or contact treated waters.

**Storage and Disposal:**

- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area.
- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area.
- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area.
- **Avoid contact with eyes or skin.** Wash hands thoroughly after handling. Do not allow children to enter the treated area.

**NOTES:**
