Covers up to 5,200 sq. ft.

PROZONE™

WEED BEATER COMPLETE

Kills and prevents broadleaf & grassy weeds

For a beautiful weed-free lawn

Keeps lawns weed-free

Weed Deadly  Lawn Friendly

Kills the toughest weeds down to the root

Chickweed  Clover  Crabgrass  Dandelion  Foxtail  Goosegrass  Ground ivy

Henbit  Nutsedge  Plantain  Poa Annua  Spotted Spurge

Performs in both cool and warm weather

For use on warm season and cool season grasses
**First Aid**

- **Inhalation:** Get fresh air. If breathing is difficult, give artificial respiration. Loosely wrap patient in warm, dry clothing or apply warm, dry blankets. If nausea results, give activated charcoal.
- **Eye Contact:** Rinses eyes with water for 15-30 minutes, then wrap with cool, wet compresses. Seek medical treatment if eye irritation persists.
- **Skin Contact:** Wash exposed skin with soap and water for 15-30 minutes. For severe irritation, seek medical treatment.
- **Ingestion:** Give plenty of water and induce vomiting with syrup of ipecac if swallowed. Do not induce vomiting if patient is unconscious or if convulsions are present. Seek medical treatment.

**Precautionary Statements**

**Warning:** This product contains methyl isocyanate. It is poisonous and can cause severe and sometimes fatal injury. Keep out of reach of children. Do not inhale vapor or mist. Avoid contact with skin, eyes, or clothing. Do not use near open flames or heat sources.

**Emergency Response**

In case of a spill or leak, directing the material away from water bodies to minimize environmental impact. For larger spills, consult local authorities and environmental experts. Seek medical treatment immediately if exposure occurs.

**Exposure Limits**

- **Threshold Limit Value (TLV):** 50 mg/m^3
- **Permissible Exposure Limit (PEL):** 50 mg/m^3

**Storage and Disposal**

- **Stability:** Stable under normal storage conditions.
- **Compatibility:** Compatible with most plastics, rubber, and synthetic materials. Not compatible with strong oxidizing agents.
- **Waste Disposal:** Dispose of contents/container in accordance with federal, state, and local regulations. Do not burn in an incinerator.
- **Regulations:** Follow all applicable regulations for the storage and disposal of hazardous materials.

**Directions for Use**

- **Application:** For best results, apply at the recommended rate and time.
- **Mixing:** Mix thoroughly with water before applying. Do not mix with other products unless directed by the manufacturer.
- **Storage:** Store in a cool, dry place, away from direct sunlight.
