STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Keep this product dry in a cool, dry, well-ventilated area away from heat or open flame.

PESTICIDE DISPOSAL: Wash equipment used in applying this product by going down the drain or out of your property.

CONTAINER DISPOSAL: Do not puncture or incinerate. Place in ordinary waste disposal if approved by local officials. Do not contaminate water, food or feed by storage or disposal. Keep container closed at all times.

FIRST AID IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-30 min. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-30 min. Remove contact lenses, if present, after the first 5 min, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

PRECAUTIONARY STATEMENTS

HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with plenty of soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic organisms, including fish and invertebrates. Do not contaminate water when disposing of equipment washwaters or manure. See Directions for Use for additional precautionary and restrictions. Do not apply directly to or near water. Do not apply on or near water bodies, irrigation areas, or points of intake or discharge of waters. Do not apply to areas from which water is taken for use in drinking, irrigation, or other purposes.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.
