1-800-248-7763 for emergency medical treatment information.

Have the product container or label with you when calling a poison
control center or doctor for treatment. You may also contact
a pharmacist, if your state and local authorities allow. Do not
work, eat, drink, or use tobacco or using the toilet. Remove and wash contaminated clothing
and water after handling and before eating, drinking, chewing gum, using

FIRST AID

If inhaled
• Move person to fresh air.
• If person is not breathing, call 911 or your local emergency number.
• If breathing continues, move into a fresh area.

If on skin or clothing
• Remove clothing and shoes. Rinse skin immediately with plenty of water for
15-20 minutes.

If in eyes
• Keep eye open and rinse slowly and gently with plenty of water for
15-20 minutes. Stay out of smoke.

If ingested
• Call poison control center or doctor for treatment
