INSTRUCTIONS FOR USE:
READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS.

For Pet Bedding, Pillows, Blankets, Upholstery, Carpet, Rugs and Outdoor Surfaces:
This product is designed to be non-staining when used as directed; however, always apply a small amount to an inconspicuous area to test for colorfastness. Shake well. Spray the surface uniformly with a light mist until moist. Avoid soaking. A fine mist is all that is necessary to be effective. Not recommended for use on fine furniture. Can be used around dogs and cats 12 weeks or older.

For Dogs 12 Weeks or Older:
Lightly spray dog's entire coat until damp, but not dripping. Do not spray on the face, eyes or genitals. Cover the entire coat including the legs, tail and stomach. Massage into the coat until the product reaches the skin. Repeat as necessary allowing 2-4 hours between applications. Can be used indoors or outdoors.

In order to help reduce the occurrence of fleas and ticks, this product is best used year round and when combined with other Vet's Best® products for pet, home and yard.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HUMANS:
Causes moderate eye irritation. Wash hands thoroughly with soap and water after handling. Avoid contact with eyes and mouth. Do not inhale. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. For external use only.

DOMESTIC ANIMALS:
Sensitivity may occur after use of any product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs of sensitivity continue, consult a veterinarian immediately. Not recommended for use on pregnant or nursing animals. For external use only.

NOT FOR AQUATIC USE.

Storage: Store only in original container in a cool, dry area. Disposal: In accordance with all Federal, State and Local regulations, do not reuse this container.
