RECYCLABLE BOTTLE

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
DANGER:
Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles or face shield), protective clothing, and rubber gloves. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove contaminated clothing and wash before reuse.

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
When filling the humidifier, use 1/8 fluid ounce of Essick Air Humidifier Treatment per gallon of water. Repeat this process when refilling the tank.

STORAGE AND DISPOSAL:
Store in original container in areas inaccessible to individuals unfamiliar with its use. Do not reuse container. Discard in trash.

PRODUCT INFORMATION:
Essick Air Humidifier Bactericidal Treatment is a bacteriostat, which can control the build-up of bacteria and algae in water tanks of manually-filled evaporative humidifiers.

NOTICE:
Since the use of this product is beyond the control of the manufacturer, liability or damage, either incidental or consequential, shall be limited to replacement of the product.
