**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Wash thoroughly after handling and before smoking or eating. Avoid contamination of food and foodstuffs. Remove pets and birds and cover fish aquarium. Shake well before using.

**FIRST AID**

- **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.
- **IF SWALLOWED:** Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for further treatment advice.

**ENVIRONMENTAL HAZARDS:**

This product is extremely toxic to fish. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticides off the treatment area.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Affix trigger, pump or other type sprayer to container for application. Do not transfer to another container. SHAKE WELL BEFORE USING.

**INDOOR APPLICATION:**

For spot application only. Do not use as a space spray indoors. Do not apply to classrooms while students are present. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food/food should be covered or removed.

**SURFACE SPRAYING:**

For control of Cockroaches (180 day/8 month control), Waterbugs, Palmetto Bugs, Scorpions, Millipedes, Centipedes, Spiders, Crickets, and Cabinet Beetles. Direct the spray into hiding places, cracks and crevices, and behind shelves and drawers. For silverfish, spray bookcases. For ants, spray trails, nests and points of entry.

**FOR USE ONLY ON DOGS:**

Do Not Use on Cats or Kittens

- To control fleas, ticks and lice. Start spraying at the tail, moving the dispensing rapidly and making sure that the animal's entire body is covered, including the legs and underbody. While spraying, fluff the hair so that the spray penetrates to the skin. Make sure spray wets thoroughly, but do not saturate animal. Do not spray into eyes or face. Avoid contact with paws. Use protective gloves or mitts when applying product. Reapply every 2 weeks as needed. **NOTE:** Do not use on puppies under 12 weeks of age. Consult a veterinarian before using this product on dehydrated, aged, pregnant or nursing animals or animals on medication.

**OUTDOOR APPLICATION:**

Not for use on plants being grown for sale or commercial seed production or for research purposes.

**TO CONTROL TICKS (PERIMETER TREATMENT):** Use this product as a residual treatment to control ticks including the Deer Tick (Ixodes dammini), Lone Star Tick (Amblyomma americanum), Brown Dog Tick (Rhipicephalus sanguineus), American Dog Tick (Dermacentor variabilis) and Western Black-legged Tick (Ixodes pacificus). For each area listed below, apply until surface is wet (approximately 1 gallon/750 – 1000 sq. ft.).

- Treat around windows and doors, porches, screens, eaves, patios, garages, under stairways and in crawl spaces where these pests may enter.
- Treat a band of vegetation and leaf litter 6 to 10 feet wide around and the outside of buildings to help control ticks occurring there. To help control ticks in outdoor activity areas, treat a band of vegetation and leaf litter 6 to 10 feet wide and adjacent to activity areas, especially where dense vegetation occurs.

**STORAGE AND DISPOSAL:**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in a cool, dry area away from heat or open flame. Store above 32F.

**PESTICIDE DISPOSAL:** If partly filled – Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**CONTAINER DISPOSAL:** If empty – Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herein.
