90-Day Algae Prevention & Remover for Pools

DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DOSEAGE RATES
EVERY THREE MONTHS: 16 fl. oz. SeaKlear 90-DAY ALGAE PREVENTION & REMOVER per 10,000 gallons pool water (or 500 ml, per 0.001 L) will prevent algae growth in all pool types.
SEVERE ALGAE TREATMENT: 32 fl. oz. SeaKlear 90-DAY ALGAE PREVENTION & REMOVER per 10,000 gallons pool water (or 1 liter per 0.001 L).

GENERAL DIRECTIONS
1. Maintain pool water in the pH range 7.2 to 7.8. Total alkalinity 60 ppm to 120 ppm. Adjust pH to 7.2 for severe algae.
2. Ensure that filtration system is working properly.
4. Calculate the volume of SeaKlear 90-DAY ALGAE PREVENTION & REMOVER required for your pool.
5. Add the product directly to pool deep end preferably in front of a water return. Dilute in a bucket of pool water when adding to pools with plaster finishes.

SeaKlear 90-DAY ALGAE PREVENTION & REMOVER must be used along with adequate levels of an EPA registered sanitizer (e.g., chlorine) to control bacteria.

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION
Harmful if swallowed. Avoid contact with eyes, skin, or clothing. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS
This product is toxic to fish. Treated effluent should not be discharged in lakes, ponds, or public water.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage and disposal.
Storage: Store in original container. Store in a cool dry place away from the reach of children. Keep container closed when not in use.

Disposal: Non-refillable container. If empty: Do not reuse or refill this container. Offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID
IF SWALLOWED
• Call poison control or doctor immediately for treatment advice.
• Have person sip a glass of water if able to swallow.
• Do not give anything by mouth to an unconscious person.
• Do not induce vomiting unless told to do so by the poison control center or doctor.

IF ON SKIN OR CLOTHING
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor immediately for treatment advice.

IF IN EYES
• Hold eye open and rinse gently with water for 15-20 minutes.
• Remove contact lenses, if present. After the first five minutes, then continue rinsing eye.
• Call poison control center or doctor for treatment advice.

IF INHALED
• Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth to mouth, if possible.
• Call a poison control center or doctor for treatment advice.

EMERGENCY CONTACT INFORMATION
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 CHEMTREC (Domestic North America) or 703-527-3687 CHEMTREC (International). Collect all containers and call 911 or your local emergency medical treatment information.
