KEEP OUT OF REACH OF CHILDREN

WARNING - AVISO
Si usted no entiende esta etiqueta, busque a alguien para que le explique u usted detallar.
(If you do not understand the label, find someone to explain it to you in detail)

FIRST AID

If Inhaled
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
- Call a Poison Control Center or your doctor for further treatment advice.

If In Eyes
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a Poison Control Center or your doctor for further treatment advice.

If on Skin or Clothing
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a Poison Control Center or your doctor for further treatment advice.

If Swallowed
- Call Poison Control Center or doctor immediately for treatment advice.
- Have affected person sip a glass of water, if able to swallow.
- Do not induce vomiting unless told to by a Poison Control Center or doctor.
- Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a Poison Control Center or doctor for treatment. You may also contact 1 800 241 7439 for emergency medical treatment information.

NOTE TO PHYSICIAN: Probable internal damage may contraindicate the use of gastric lavage. Persons having a temporary allergic reaction respond to treatment with antihistamines or steroids cream and/or systemic steroids.

Emergency Phone Numbers (800) 434-3930 CHEMTRACER (transportation and spills)

FUNGITROL® 404-DS FUNGICIDE
For Manufacturing Use to Protect Wheat Crop on Pant and Grain Mills, Feedlots, and Seed Mills, Propylene Oxide, and Decay Control in Wood Composites.

ACTIVE INGREDIENT:
Chlorothalonil (tetraclorofosporothionil) ............. 40.4% 
OTHER INGREDIENTS: .................................. 59.6% 
TOTAL: .................................................. 100.0%

Contains 4.17 pounds chorothalonil active ingredient per gallon.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING - AVISO
May be harmful if inhaled. Harmful if swallowed or absorbed through the skin. Cause moderate eye irritation. Avoid contact with eyes, skin, or clothing. Do not breathe spray mist. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Contact a physician if you experience any adverse effects. Apply only as directed.

PERSONAL PROTECTIVE EQUIPMENT (PPE):
Handle must wear:
- Long-sleeved shirt and long pants.
- Gloves (e.g., nitrile or neoprene rubber, polyurethane, polyurethane triacetate, or viton, if you must wear more options; follow the instructions for category B in an EPA chemical resistance category selection chart).

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions are available, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent materials that have been discolored or heavily contaminated with the product's concentrate. DO NOT throw down.

USER SAFETY RECOMMENDATIONS

Do's:
- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.
- Remove contaminated clothing immediately. Wash contaminated clothing separately before reuse or throw away.

Don'ts:
- Wash hands after eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARDS
This product is toxic to aquatic life. Do not discharge this product into lakes, streams, estuaries, oceans, or other water bodies unless in accordance with the requirements of the National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge aliphatic surfactants this product into sewers systems without properly neutralizing the local sewage treatment plant. Authentic for aquatic life. Contact your State Water Board of Regional or the EPA.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is used to protect treated articles from decay, mold, mildew, insects, rots, and fungi. The product is applied to crops, seeds, containers, and equipment. Use as directed. This product must not be used as a milking aid or additive to milking products that are labeled, a) With protective-use instructions for the use of a separate culture solution, or for b) Any other purpose. When applying this product, wash all contact surfaces and hands thoroughly with soap and water. Replacement and new containers should be cleaned with soap and water. Dispense of this product as a spray or foaming application, or as a liquid application. Do not allow this product to contact other hazardous materials.

STORAGE AND DISPOSAL
Do not store in containers containing food, feed, or feed by-products. Do not store with incompatible products or with commonly used household products. Observe all applicable state, federal, and local requirements for the storage and disposal of this product.

PESTICIDE STORAGE, HARMFULifenence. Store out of reach of children. Store protect from extreme heat.

PRECAUTIONS
Pesticide resistant nematodes. Improper disposal of pesticide, pesticide formulation or residue is a violation of Federal law. If these materials cannot be disposed of in accordance with labeled instructions, contact State Pesticide or Environmental Control Agency, or the Hazardous Wastes representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL, Inert container. Do not reuse or refill this container. Take container to a licensed waste management facility.

WARRANTY AND LIMITATION OF DAMAGES
CONDITIONS OF SALE: International Specialty Products makes no warranty that this product conforms to the chemical description and quality. Buyer’s only remedy hereunder, and buyer’s exclusive remedy for any claim, shall be the return of the Product to International Specialty Products for credit. Buyer shall pay all costs and expenses incurred in such return. This warranty does not include any other warranties, express or implied, including any warranty of fitness for merchantability, or any other warranties of any kind. International Specialty Products is not liable for any special, incidental, or consequential damages resulting from the use or handling of this product, and disclaims all liability. Buyer’s remedies shall be limited to the refund of the purchase price. Buyer and user acknowledge and assume all risks and liabilities resulting from handling, storage and use of this product. IP does not authorize any agent or representative to make any other warranties, guarantees, or representation concerning this product.
