SAFETY PRECAUTIONS AND STATEMENTS

DIRECTIONS FOR USE

CAUTION: This product is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. Do not apply directly to water, to areas where surface water is present, or to areas likely to be drained by surface or underground water, which could impact drinking water supplies, wash waters or irrigation water.

This product contains formaldehyde and formaldehyde derivatives, which can cause respiratory irritation, skin irritation, eye irritation, and allergic reactions. If inhaled, it can cause irritation of the respiratory tract.
