**USER SAFETY RECOMMENDATIONS**

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

**ENVIROMENTAL HAZARDS**

Do not apply directly to streams, ponds or other bodies of water present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater. Follow directions and use care.

**FIRST AID**

**If Swallowed**
- Call poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**If Inhaled**
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

**If In Eyes**
- If eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes.
- Rinse well after removing lenses.
- Call a poison control center or doctor for treatment advice.

**If On Skin Or Clothing**
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**ENGLISH TO SPANISH**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed. Avoid breathing dust. Avoid contact with eyes, skin or clothing. This pesticide may be fatal to dogs or other pets if eaten. Dogs may be attracted to the bait. Confine pets during application to prevent them from being fed. Keep pets out of treated area when bait is present.

**PERSONAL PROTECTIVE EQUIPMENT**

Applicators and other handlers must wear:
- Long-sleeved shirt
- Long pants
- Chemical resistant gloves made of any waterproof material Category A (e.g. barrier laminate, rubber, nitrile rubber, neoprene rubber, natural rubber, polyethylene, polyvinylchloride [PVC] or vinyl).
- And shoes plus socks.

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

**APPLICATION INFORMATION**

For control of slugs and snails in the following areas, use 1 lb. to treat 2,000 to 4,400 sq. ft. of soil surface, which is equivalent to 20 to 40 lbs. per acre. Apply at one level teaspoon per square yard. Apply when first plant damage appears or anticipated and repeat as needed for control.

**FRUIT TREE CROPS** such as Apples, Apricots, Avocados, Bananas, Cherries, Citrus (Oranges, Lemons, Grapefruit, etc.), Poppies, Peach, and Pears: Apply 20 to 40 lbs. per acre. Broadcast liberally under trees, around irrigation pipes, farm buildings and any other area where slugs and slugs may congregate.

**VEGETABLE CROPS AND GARDENS** such as Artichokes, Asparagus, Beets, Broccoli, Brussels Sprouts, Cabbage, Carrots, Cauliflower, Celery, Collards, Corn, Cucumbers, Cucumbers, Eggplant, Endive, Garlic, Ginseng, Horseradish, Kale, Kohlrabi, Leeks, Legumes, Lettuce, Melons, Mustard Greens, Okra, Onion, Parsnips, Peas, Peppers, Pimientos, Potatoes, Pumpkins, Radishes, Rhubarb, Rutabagas, Salsify, Shallots, Spinach, Squash, Sweet Potatoes, Swiss Chard, Tomatoes, Turnips, and Watermelon: Apply 20 to 40 lbs. per acre. Apply only to soil surface.

**SEED CROPS:** Sugar beets, flowers, grasses, vegetables and legume crops grown for seed. Apply 10 to 40 lbs. per acre.

**FIELD CROPS:** Cereal grains, Cotton, Corn, Cotton, Hay, Legumes, Mint and Pasture. Apply 10 to 40 lbs. per acre.

**TURF AND ORNAMENTALS:** Ornamental grasses, Ornamental plantings, Commercial ornamental nurseries, ground covers, Turfgrass areas and grasses grown for sod; areas adjacent to building foundations: Apply 1 lb. per 2,000 to 4,400 sq. ft. (approx. 5-10 pellets per sq. ft.). Repeat treatment as necessary to maintain control. Broadcast this product directly and evenly. Most plants are tolerant to Slug 4.0 Slug & Snail Bait, however some slight fire blight burning has been noticed on extremely tender orchids. It is suggested the use of this product do a small test to determine if any sensitivity exists to the active ingredient or application over the plants. This product may be injurious to Daylilies and Clematis. Do not use on these plants. For heavily infested greenhouses a second application is recommended 7 to 10 days following the first application to bring the greenhouse under control.

**NON CROP AREAS:** Field, forests, orchards, pastures, parks, golf courses, other public areas; airport and similar industrial non-crop areas. Apply 20 to 40 lbs. per acre. Repeat treatment as necessary.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store product in original labeled container in a cool, dry, locked place out of reach of children. Keep container tightly closed when not in use. Do not store in direct sunlight. **PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility. **CONTAINER DISPOSAL:** Nonrefillable container. Do not return or refill container. Completely empty bag into a trash container and dispose of bag. **CONDITIONS FOR SALE**

Important: Read these entire Directions and Conditions of Sale before using Slugger 4.0 Slug & Snail Bait. Disclaimer: Manufacturer warns that this product conforms to the chemical description on the label and is reasonable for the specific purposes referred to in the Directions for Use, subject to the inherent risks referred to above. Manufacturer makes no other express or implied warranty. In no case shall manufacturer be liable for consequential, special or indirect damage resulting from the use or handling of this product.
