Sustain® 25T
FOR PRESSURE-TREATING WOOD PRODUCTS

ACTIVE INGREDIENT:
Copper Carbonate, CAS # 12069-99-1* ........................................... 43.5%
Tebuconazole .............................. 1.029%
[Alpha-[2-(4-chloro phenyl)ethyl]-alpha-[1,3-dimethylpropyl]-1H,1,2,4-tetrazole-1-ethanol], CAS # 80443-41-0, 107534-96-3
OTHER INGREDIENTS: ** .................................................. TOTAL: 55.471%
*(Metallic Copper Equivalent 25.0%)
** THIS PRODUCT CONTAINS SODIUM NITRITE

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AID

IF IN EYES
Hold eye open and rinse slowly and gently with water for 15 - 20 minutes.
Remove contact lenses, if present, after the first five minutes, and then continue rinsing.
Call a Poison Control Center to doctor for treatment advice.

IF SWALLOWED
Call a Poison Control Center or doctor immediately for treatment advice.
Have person sip a glass of water if able to swallow.
Do not give anything by mouth to an unconscious person.
Do not induce vomiting unless told to do so by a Poison Control Center or doctor.

IF INHALED
Move person to fresh air.
If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
Call a poison control center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING
Take off contaminated clothing.
Rinse skin immediately with plenty of water for 15-20 minutes.
Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER
For medical emergencies involving this product, call toll free 1-800-424-9300.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN
“Probable mucosal damage may contraindicate the use of gastric lavage.”

GENERAL INFORMATION
Pressure-treating wood products with Sustain® 25T provides protection against termites, ascomycetes, white rot, brown rot and dry rot.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Sustain® 25T is only for use in pressure-treating wood products. Apply using vacuum pressure impregnation with water solutions having concentrations ranging from 0.1% - 3.0% active ingredients by weight. Impregnation procedures must rigidly adhere to the current specifications of Osmose, Inc. or the American Wood Protection Association.
The processes used to apply Sustain® 25T formulations must leave no visible surface deposits on the wood. Visible surface deposits indicate a surface residue or crystallization on the treated wood. Small, isolated or infrequent spots of chemical on otherwise clean wood are permitted.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store unused product in original containers only in a cool, well-ventilated location out of the reach of children and animals.

Pesticide Disposal: Pesticides wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal: Plastic Container – Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or if allowed by state and local authorities by burning. If burned, stay out of smoke. Metal Container: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

USER SAFETY RECOMMENDATIONS
Harmful if swallowed. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing. Remove and wash contaminated clothing before reuse.

PERSONAL PROTECTIVE EQUIPMENT
Mixers, loaders, applicators and other handlers must wear:
• Long-sleeved shirt
• Long pants
• Shoes plus socks
• Eye protection such as goggles, face shield, or safety glasses
• Rubber gloves

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product’s concentrate. Do not reuse them. Wash the outside of gloves before removing.

NOTE: Applicators must not eat, drink, or use tobacco products during those parts of the application process where exposure to the wood treatment formulation may occur (e.g., manually operating cylinder doors, handling freshly treated wood, etc.).

ENVIRONMENTAL HAZARDS
This product is toxic to fish and aquatic invertebrates and may contaminate water through runoff. Do not contaminate water by cleaning of equipment or disposal of wash waters or rinsate. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Certain water conditions including low pH (≤6.5), low dissolved organic carbon (DOC) levels (3.0 mg/L or lower), and “soft” waters (i.e., alkalinity less than 50 mg/L), increase the potential acute toxicity to aquatic organisms.
