GORDON’S®
GARDEN GUARD®
INSECTICIDE

For Outdoor Use on Home Gardens
Controls A Wide Range Of Insect Pests On Garden Vegetables As Listed

ACTIVE INGREDIENT:
Permethrin (3-phenoxyphenyl) methyl (+/-) cis, trans-3-(2,2-dichloroethenyl)-2,2-dimethylcyclopropanecarboxylate* .................. 0.25%

OTHER INGREDIENTS: .................. 99.75%
* cis/trans ratio: Min. 35% (+/-) cis
Max. 65% (+/-) trans

READ ENTIRE LABEL BEFORE EACH USE.
PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Humans: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing.

FIRST AID
If on skin or clothing:
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor for treatment advice.
If in eyes:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.
If inhaled:
• Move person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
• Call a poison control center or doctor for further treatment advice.

KEEP OUT OF REACH OF CHILDREN

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.
PESTICIDE STORAGE: Store in cool, dry place.
PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER HANDLING: If empty – Nonrefillable container. Do not reuse or refill this container.
Completely empty cardboard canister into application equipment. Then dispose of empty cardboard canister in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

For Chemical Emergency:
Spill, leak, fire, exposure, or accident call CHEMTREC 1-800-424-9300.

USER SAFETY REQUIREMENTS
Follow manufacturer’s instructions for cleaning/maintaining PPE.
If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.
Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product’s concentrate. Do not reuse them.

USER SAFETY RECOMMENDATION
User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
User should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

PHYSICAL AND CHEMICAL HAZARDS
Do not use or store near heat or open flame.

ENVIRONMENTAL HAZARDS
This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to run off into storm drains, drainage ditches, gutters and surface waters. Applying this product in calm weather when rain is not predicted within 24 hours will help ensure that wind or rain does not blow or wash pesticide off the treatment area.
This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively, visiting the treatment area.

PERSONAL PROTECTIVE EQUIPMENT:
Some materials that are chemical-resistant to this product are listed below. If you want more options, follow the instructions for category E or an EPA chemical resistance category section chart.
Applicators and other handlers must wear:
• Long-sleeved shirt and long pants,
• Shoes plus socks,
• Chemical-resistant gloves, and
• A NIOSH-approved respirator with: a dust/mist filter with MSHA/NIOSH approval number prefix TC-21 or any N, R, P, or HE liter. Application with motorized equipment is prohibited.

ORNAMENTALS: DIRECTIONS FOR APPLICATION

DUSTED SURFACES. Dust lightly to cover both upper and lower leaf surfaces with a thin, even film. Apply with a hand held foggy mist, spray gun, puffer or other bulbous duster, rotary duster or other appropriate duster as available. Start application when air is calm to avoid drift. Do not apply this product in a way that will contact workers or other persons either directly or through drift.

Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively, within 24 hours will help ensure that wind or rain does not blow or wash pesticide off the treatment area.

Do not water treated area to the point of run-off. Do not make applications during rain. Do not allow the product to enter any drain during or after application.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Do not enter or allow others to enter until dusts have settled.

This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to run off into storm drains, drainage ditches, gutters and surface waters. Applying this product in calm weather when rain is not predicted within the next 24 hours will help ensure that wind or rain will not wash or spray the product from the treatment area.

Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively.

Do not apply to plants being grown for sale or other commercial use.

Precautionary Statements

KEEP OUT OF REACH OF CHILDREN CAUTION

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes and skin.

FIRST AID

If on skin
• Wash with plenty of soap and water or other suitable cleansing agent.

If in eyes
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.

If swallowed
• Do not induce vomiting unless instructed to do so by a physician.

If on clothing
• Remove clothing and wash immediately with soap and water.

Inhalation
• If inhaled, move to fresh air. If not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

In case of accident or emergency
• Consult a physician immediately. Call 1-800-424-9300.

DRUG INTERACTIONS

None known.

Other hazards

GARDEN GUARD INSECTICIDE

For Outdoor Use on Home Gardens

Controls A Wide Range
Of Insect Pests As Listed

Garden Vegetables As Listed

ACTIVE INGREDIENT:
Permethrin (3-phenoxyphenyl) methyl (+/-), nano-3.2(2-diethylthiocarbamoylethyl)- 2,2-dimethylcyclopropanecarboxylate* . . . . . . . . . . . . . . . . . . . . . 0.25%
OTHER INGREDIENTS: . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . TOTAL 100.00%

CAUTION: Damage to treated foliar surfaces may occur if applied to the fern stage of
asparagus plant after speer harvest when
Dust lightly. (Many insects hide on the underside of the leaf).

FRUIT AND ORNAMENTAL VEGETABLES

- Apply when air is calm to avoid drift.
- Do not apply to the plant in a way that will contact workers or other persons either directly or
through drift.
- Do not apply this product to a way that will contact workers or other persons either directly or
through drift.
- Dust lightly. (Many insects hide on the underside of the leaf).

FIRST AID
If in eyes: Flush with large amount of water for at least 15 minutes. Call a physician.
If on skin: Wash skin thoroughly with soap and water. Call a physician.
If swallowed: Do not induces vomiting. Call a physician.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds.

STORAGE AND DISPOSAL
Do not contaminate water, food, or fruit with this product.

SURFACE APPEAL
Mixture of dusts used in agriculture to control disease pests. Dusts are used in control of
potato blight, powdery mildew, and other diseases affecting the foliage of plants.

PRECAUTIONARY STATEMENTS

- Wearing household latex or rubber gloves, use a dust applicator such as a shaker can, dust
applicator, or other bulb duster, rotary duster or other appropriate duster as available. Start
applying at the farthest corner of the treatment area and work backward to avoid contact with
workers or other persons.

- Do not contaminate water, food, or fruit with this product.

RESTRICTIONS:
- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- Do not make applications during rain. Do not allow the product to enter any drain during or after application.
- If burning, stay out of smoke.
- Pesticide disposal is prohibited.

PHYSICAL AND CHEMICAL HAZARDS

- Some materials that are chemical-resistant to this product are listed below. If you want more
information, you may contact the product manufacturer. Use appropriate protective gear.

- This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds.
- Do not water treated area to the point of run-off. Do not make applications during rain.

- Apply when air is calm to avoid drift.
- Do not enter or allow others to enter until dusts have settled.

- Do not enter or allow others to enter until dusts have settled.
- Do not apply this product to a way that will contact workers or other persons either directly or
through drift.

- Do not apply to any drain or sewer during or after application.
- Do not allow the product to enter any drain during or after application.

- Do not water treated area to the point of run-off. Do not make applications during rain.

- Do not enter or allow others to enter until dusts have settled.
- Do not apply to any drain or sewer during or after application.

USER SAFETY RECOMMENDATIONS

- Use of handheld power duster equipment is prohibited.
- Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for
are available, contact the product manufacturer for assistance.

- Do not apply to any drain or sewer during or after application.
- Do not allow the product to enter any drain during or after application.

- Do not water treated area to the point of run-off. Do not make applications during rain.

- Do not enter or allow others to enter until dusts have settled.
- Do not apply to any drain or sewer during or after application.

- Do not allow the product to enter any drain during or after application.

- Do not water treated area to the point of run-off. Do not make applications during rain.

- Do not enter or allow others to enter until dusts have settled.
- Do not apply to any drain or sewer during or after application.

- Do not allow the product to enter any drain during or after application.

- Do not water treated area to the point of run-off. Do not make applications during rain.

- Do not enter or allow others to enter until dusts have settled.
- Do not apply to any drain or sewer during or after application.

- Do not allow the product to enter any drain during or after application.

- Do not water treated area to the point of run-off. Do not make applications during rain.
