Please examine this proof closely for copy and content. AmeriGraph Packaging Group will not be responsible for typographic errors or art placement errors that are not indicated on this proof. This proof is not color accurate unless specified as such. All PMS colors are simulated and will look different on press. Please use proof to check size, layout and basic color brevity. Thank you.

JOB DOES NOT PROCEED WITHOUT A SIGNED PROOF!
INDOORS:

CoCKRoaches (Including Adult And Immature Stages Of Both Non-Resistant and Organophosphate And Carbamate Resistant Strains), Ants, Boxelder Bugs, Centipedes, Crickets, Dermestid, Fleas, Ticks and Waterbugs: Apply as a spot and crack & crevice treatment to areas where pests crawl and hide, especially in hidden areas around sinks and storage areas, behind baseboards, around doors and windows, cabinets, sinks and stoves, the undersides of shelves, drawers, bookcases, and similar areas. Cover all food-handling surfaces and cover or remove all food and cooking utensils or wash thoroughly after treatment. Exposed food should be covered or removed. Repeat as necessary but not more than once per week. 

ANTS: Spray and treat around doors and windows and other places where ants enter buildings and where they crawl and hide. Spray into infested wood through existing openings. 

Ticks and Fleas on Surfaces: Remove particles and dust from the area thoroughly. Spray on resting surfaces. Adult Fleas and Larvae contact spray will be effective. Do not treat with a control for ticks and fleas. Apply to areas where these pests are present. 

FLEAS: Apply to all areas where these pests are present. 

FLYING INSECTS: Houseflies, Gnats, Mosquitoes and Small Flying Moths: Spray local resting areas, such as under doors, corners, inside surfaces of windows and door frames, surfaces around light fixtures, and in corners, where any insects may rest. Insects coming to rest on treated surfaces will be killed. Bedbugs and Lice: Remove any debris and wash thoroughly. Lightly spray areas, especially for items, such as beds, couches, and other items where these pests are present. 

OUTDOORS:

For outdoor use only as an aid in controlling these insects. Point nozzle away from the face. 

PESTS ON OUTSIDE SURFACES OF BUILDINGS: For control of building infestations to Ants, Clover Mites, Fleas, and Waterbugs (Flurid), Spray foundation of buildings where insects are active and may travel in and out of the building to a height of 3 to 5 feet. Spray outside of buildings in areas where insects are active and may invide. 

CRAWLING INSECTS: Ants, Cockroaches (Including Asian Cockroaches), Centipedes, Crickets, Mites, Carabid Beetles, Wasps, and Ticks: Spray foundation of buildings where insects are active and may travel in and out of the building to a height of 3 to 5 feet. 

PRECAUTIONARY MEASURES:

Hazards To Humans & Domestic Animals:

CAUTION

Contact with product may result in transient tingling and redness of the skin. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. 

Environmental Hazards: This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of washwater or rinse water. This product is highly toxic to bees exposed to direct treatment or residual on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area. 

Storage and Disposal:

Storage: Store in a cool, dry area away from children and pets and away from heat, sparks and open flame. Do not treat above or below freezing temperatures. This product is highly toxic to bees exposed to direct treatment or residual on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area. 

Container Disposal: If empty, Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled, Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain. 

Manufactured for:

P.H. Harris Manufacturing Company, LLC
PO. Box 1122, Alpharetta, GA 30024
