FOR DOGS AND PUPPIES OVER 8 WEEKS OF AGE
WEIGHING 11 LBS TO 20 LBS
FOR DOGS AND PUPPIES OVER 8 WEEKS OF AGE
WEIGHING 11 TO 20 LBS

HAZARDS TO DOMESTIC ANIMALS
For external use on dogs only. Do not use on puppies less than 8 weeks old.
Do not use this product on debilitated, aged, medicated, pregnant or nursing animals or
animals known to be sensitive to pesticide products without first consulting a veterinarian.
Sensitivity, such as slight transitory redness of
the skin at the site of application, may occur after
using ANY pesticide product for pets. If signs of
sensitivity occur, bathe your pet with mild soap or
shampoo and rinse with large amounts of water.
If signs of individual animal sensitivity occur
and persist, contact your veterinarian. Have the
product container or label with you when calling
your veterinarian for advice.

HAZARDS TO HUMANS

WARNING: Causes substantial but temporary
eye injury. Harmful if swallowed or absorbed
through the skin. Do not get in eyes or on
Clothing. Avoid contact with skin. Wash
thoroughly with soap and water after handling
and before eating, drinking, chewing gum and
using tobacco. Remove and wash contaminated
Clothing before reuse.

PRECAUTIONARY STATEMENTS

READ ENTIRE LABEL BEFORE EACH USE.
See package insert.

USE ONLY ON DOGS AND PUPPIES OVER 8
WEEKS OF AGE.

FIRST AID

In eyes:
Hold eye open and flush with warm water for 15-20 minutes.
Remove contact lenses, if present.
After first rinsing, then
continue rinsing.
Call a poison control
center for treatment advice.

If on skin:
Wash with soap and water if not
already done by a physician or
other healthcare provider.
Call a poison control
center for treatment advice.

If Swallowed:
Call physician or other healthcare
provider immediately. Do not give
anything to an unconscious person.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
WARNING: Causes substantial, but temporary eye injury. Harmful if swallowed or absorbed through the skin. Do not get in eyes or on clothing. Avoid direct contact with skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

HAZARDS TO DOMESTIC ANIMALS
For external use on dogs only. Do not use on puppies less than 8 weeks old. Do not use this product on debilitated, aged, medicated, pregnant or nursing animals or animals known to be sensitive to pesticide products without first consulting a veterinarian. Sensitivity, such as slight transient redness of the skin at the site of application, may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap or shampoo and rinse with large amounts of water. If signs of individual animal sensitivity occur and persist, contact your veterinarian.Have the product container or label with you when calling your veterinarian for advice.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor immediately for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center, doctor, or 1-877-872-3744 or after 6 pm EST call 1-888-426-4435 immediately for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may contact 1-877-872-3744 or after 6 pm EST call 1-888-426-4435 for emergency medical information.
DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. [Pronunciación al consumidor, si desea no lee inglés, no use este producto hasta que lo explique le haya sido explicada.] (To the User: If you cannot speak English, do not use this product until the label has been fully explained to you.)

HOW TO APPLY:
1. USE ONLY ON DOGS. Do not use on cats or other animals.
2. Remove applicator from package.
3. The dog should be standing or in a comfortable position for easy application.
4. Holding the applicator upright, place thumb and index finger around the applicator tip under the large disk. With other hand, grasp the stem of applicator tip above smaller disk. Press down firmly on small disk until both disks meet, piercing the foil. (See illustration.)
5. Using the tip of the applicator, part the hair between the shoulder blades and slowly apply the product (as shown below) directly onto the skin until the applicator tube is completely empty. Avoid superficial application to the animal’s hair.

For dogs weighing between 2.5-14 lbs (1.1-6.4 kg), apply the product to the back, as shown, onto the skin.

Do not get the product in your dog’s eyes or mouth.

For dogs weighing 15-25 lbs (6.8-11.4 kg), apply the product to the neck, between the shoulder blades and continuing in the order shown in the diagram.

Do not get the product in your dog’s eyes or mouth.

For dogs weighing 26-55 lbs (11.9-24.9 kg), apply the product to the dog’s back, beginning between the shoulder blades and continuing in the order shown in the diagram.

Do not get the product in your dog’s eyes or mouth.

For dogs weighing 56-100 lbs (25.5-45.4 kg), apply the product in a spot on the dog’s back, beginning between the shoulder blades and continuing in the order shown in the diagram.

Do not get the product in your dog’s eyes or mouth.

6. Discard empty applicator tube as outlined in the storage and disposal section.
7. For treatment, control and prevention of fleas, ticks, lice, and lice larvae, year-round treatment is recommended.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a cool, dry place. Protect from freezing.

Disposal: If empty, do not reuse the container. Place in trash or offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions. Never place unused products down any indoor or outdoor drain.

LIMITED WARRANTY AND LIMITATION OF DAMAGES

Seller warrants that the material conforms to the chemical parameters of the US EPA registration and the label. Seller makes no warranty to the extent consistent with applicable law, express or implied, other than indicated on the label. Buyer and user assume all risk of use and handling of this material when such use and handling are contrary to the label directions. To the extent consistent with applicable law any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential, commercial, or any other damages such as loss of profit or values.
