Citrisil™
Dental Waterline Microbial Contaminant Control Tablet

Citrisil™ is specially formulated and clinically proven to:

- Kill odor causing bacteria
- Maintains dental unit water line effluent ≤ 10 CFU/ml
- Clean dental unit waterlines
- Maintain silver ion based antimicrobial tubing

Citrisil is formulated to be continuously present in the dental unit water system.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Solid tablet may cause eye and skin irritation. Avoid direct contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS
Silver is toxic to fish and aquatic invertebrates.

PHYSICAL or CHEMICAL HAZARDS
The Product will react with strong acids or oxidizing agents.

16. If just completing Citrisil Shock™ treatment, purge waterlines until orange color dissipates.
17. Initiate patient care.
18. When bottle is empty repeat Steps 15 through 17.

ALTERNATE FORMULATION
For easy visual compliance, use the alternate Citrisil Blue™ tablet which provides a light blue color in the treated water.

NOTE: Test output water bacteria level after startup and at appropriate intervals based on results. Clinical monitoring of bacteria levels can ensure that procedures are being performed correctly and are effective. Contact Sterisil for assistance with in-office or independent third party water testing.

Citrisil™ may be left in the waterlines overnight and for extended periods of non-use, up to two weeks. It is not necessary to purge lines at the end of each day.

*Distilled water is recommended, however if using tap water, rinse and empty bottle once per week to remove any tap water impurities that may have settled out.

STORAGE AND DISPOSAL

STORAGE
Store in a cool dry area out of direct sunlight. Do not contaminate water, food or feed by storage or disposal.

DISPOSAL OF UNUSED PRODUCT
Empty container by using product according to label directions. Non-refillable Container. Do not re-use this container. Dispose of empty foil pouch in the trash.

WARRANTY STATEMENT
Exposure to moisture may reduce tablet effervescence ability. Exposure to direct light may cause tablet to change color.
