For information on this product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-1333. For information on product usage, etc., call 1-800-222-1122.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION:
Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food and feedstuffs.

ENVIRONMENTAL HAZARDS:
Do not contaminate water when disposing of equipment and packaging.

PHYSICAL OR CHEMICAL HAZARDS:

DOMESTIC USE:

Stated DUSTED Powdered Insecticide contains a spirit-filling botanical insecticide, pyrethrum, an extract of the chrysanthemum flower, which provides effective control of insects upon direct contact with it as well as beneficial plant growth-promoting action. However, DUSTED pyrethrum is not a contact insecticide. In this product, pyrethrum is long term controlled through a derating process of about 1%. Do not permit direct insects coming in contact with it in order to continue to be effective for up to 6 months.

INSECTS ON CONTACT SUCH AS: Ants, Carpenter Ants (Eupolyergus rufescens), Fire Ants, Frenicular Ants, Bedbugs, Spiders, Caterpillars, Flies, Blights, Fleas, etc.
