HOW IT WORKS

This product contains three proven weed killers that target lawn weeds and crabgrass. The herbicides enter the lawn weeds through their leaves and move inside the weeds, even down into the roots. And lawns listed on this label will not be harmed when used as directed.

WHERE TO USE

This product is a ready-to-use product intended for the treatment of individual weeds, patches of weeds or sparse weeds scattered throughout home lawns. This product can be applied to the following established turfgrass species:

<table>
<thead>
<tr>
<th>Cool season turfgrass</th>
<th>Warm season turfgrass</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kentucky bluegrass</td>
<td>Bermudagrass, common and hybrid</td>
</tr>
<tr>
<td>Ryegrass, perennial and annual</td>
<td>Zoysiagrass</td>
</tr>
<tr>
<td>Tall fescue</td>
<td>Buffalograss</td>
</tr>
<tr>
<td>Mixtures of cool season grasses containing fine fescues (red, hard and chewing) and bentgrass</td>
<td></td>
</tr>
</tbody>
</table>

This product is for spot treatment only.

DO NOT apply this product to the following:

<table>
<thead>
<tr>
<th>Warm season turfgrass</th>
<th>Other areas</th>
</tr>
</thead>
<tbody>
<tr>
<td>St. Augustinegrass</td>
<td>Lawns with desirable clovers or irises</td>
</tr>
<tr>
<td>Bahiagrass</td>
<td>Dixondry</td>
</tr>
<tr>
<td>Centipedegrass</td>
<td>Ornamental plants (flowers, trees, groundcovers, landscape beds and shrubs)</td>
</tr>
<tr>
<td>Carpetgrass</td>
<td>Turfgrass species that are not listed on this label</td>
</tr>
<tr>
<td>Seashore paspalum</td>
<td>Gardens including vegetables, fruit trees, vines and berries</td>
</tr>
</tbody>
</table>

STOP
READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PRECAUTIONS AND RESTRICTIONS

- Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.
- Do not allow people or pets to enter the treated area until sprays have dried.
- Apply when daytime temperatures are between 50°F and 90°F (do not apply above 85°F for bermsgrass). Do not treat when air temperatures exceed 90°F as damage to turfgrass may occur.
- Do not apply this product to food crops (gardens, fruits and vegetables), forage crops, or ornamental plants including flowers, shrubs, hedges, woody ornamentals, groundcovers established in landscape plantings and other nontarget plants.
- Do not spray exposed roots of ornamentals and trees.

PRODUCT FACTS:
What It Does: Kills major broadleaf and troublesome grass weeds including dandelion, chickweed, clover as well as crabgrass and forbs. (See inside for complete list)
Where to Use: Lawns: Kills the weeds not the lawn when used as directed.
When to Use: Apply when daytime temperatures are between 50°F and 90°F (do not apply above 85°F for bermudagrass).

SHAKE WELL BEFORE USING.

BROADLEAF WEEDS:

WHEN TO USE

- **Springs:** Apply this product from crabgrass emergence until the crabgrass is 3-4 inches in height. This period begins the first time that you can see crabgrass in your lawn. Re-treat at 14 days later for dense populations.
- **Foxtail (Green, Giant and Yellow):** Apply this product to foxtail during the early growth stage or when foxtail is 1-4 inches in height. Re-treat at 14 days later for dense populations.
- **BROADLEAF WEEDS:**
  - **Springs:** Apply when dandelion, plantain, buttercup, speedwell, knotweed and other broadleaf weeds are young and actively growing with adequate soil moisture for best results.
  - **Fall:** Apply when hawkbit, chickweed, white clover, ground ivy, lawn burweed and other broadleaf weeds are young and actively growing with adequate soil moisture for best results.

**STORAGE AND DISPOSAL**

- Do not contaminate water, food, or field by storage and disposal. 

PESTICIDE STORAGE: Keep from freezing. Store in original container in a locked storage area inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty, Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**FIRST AID**

- **If in eyes:**
  - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye.
  - Call a poison control center or doctor for treatment advice.

- **If swallowed:**
  - Call a poison control center or doctor immediately for treatment advice.
  - Have person sip a glass of water if able to swallow.
  - Do not induce vomiting unless told to by a poison control center or doctor.
  - Do not give anything to an unconscious person.

Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also call 1-800-658-7378 for emergency medical treatment advice.

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals:

CAUTION: Causes moderate eye irritation. Harmful if swallowed. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash clothing before reuse.

Applicants and other handlers of this product must wear:

- Long-sleeved shirt and long pants
- Shoes
- Socks

**HOW TO USE: TRIGGER SPRAYERS**

1. Shake well.
2. Spray the weeds only. Spray to lightly cover broadleaf and grass weeds. Excessive spraying can injure some lawns. Do not apply when daytime temperatures are above 90°F as lawn injury can occur (do not apply above 85°F for bermudagrass).

**CULTURAL TIPS**

- For newly seeded areas:
  - Do not apply within 4 weeks after seeding emergence of Kentucky bluegrass, fine fescue mixtures and perennial ryegrass. Apply this product to newly seeded grasses when well-established (approximately 6 weeks after seeding emergence) or after the third mowing.

- For newly sodded, sprayed, or plowed areas:
  - The application of this product to newly sodded, sprayed, or plowed grasses should be delayed until 3 to 4 weeks after the sodding, spraying, or plowing operations.

- Seeding:
  - For turf species listed on this label can be seeded into the treated areas at four (4) weeks after the application of this product.

- Irrigation:
  - Do not apply this product immediately before rainfall or irrigation. For best results, do not irrigate or water the turfgrass within 24 hours after application.

- Avoid applications of this product when turfgrasses are under stress since injury may result.

- Mowing:
  - Delay mowing 2 days before and until 2 days after the application of this product.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic invertebrates. Drift and run-off may be hazardous to aquatic organisms in water adjacent to treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, ditches, streams, ponds, rivers, lakes, or other bodies of water. Application of this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Reusing application equipment over the treated area will help avoid runoff to water bodies or drainage systems.

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in contamination of drinking water or groundwater.

**LIMITED WARRANTY AND DISCLAMER**

FOR USE ONLY AS DIRECTED. THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE HEREBY EXPRESSLY DISCLAIMED, TO THE EXTENT CONSENSUOUS WITH APPLICABLE LAW, IN NO CASE SHALL THE MANUFACTURER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. If these terms are not acceptable, return this product unopened immediately to the point of purchase and the purchase price will be refunded in full. The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements at the point of sale or elsewhere.
