Modified Vegetable Oil and Surfactant

Principal Functioning Agents: % By Wt.
- Methyl Soyate, Nonylphenol ethoxylate, Propylene glycol...................... 99%
- Constituents Ineffective as Spray Adjuvants..................................1%

Total........................................................................................................100%

Surfactant content................................15% Minimum

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180.

KEEP OUT OF REACH OF CHILDREN
CAUTION

Causes moderate eye irritation. Harmful if inhaled or absorbed through skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment: Wear chemical-resistant gloves, long-sleeved shirt, and long pants, and shoes plus socks.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

GENERAL INFORMATION

CONQUER is a multifunctional surfactant/penetrant developed as a penetrating surfactant concentrate with superior wetting and penetrating characteristics. CONQUER is designed as a replacement for non-ionic surfactants and crop oil concentrates in liquid spray mixtures. When used as directed, CONQUER maximizes the activity and effectiveness of certain herbicides in post emergence applications. Therefore, care must be taken in treating sensitive crops during periods when plants are subjected to drought stress, high temperatures, and high humidity. Not for aquatic use.

Manufactured by:

CHEMORSE, LTD.
1596 NE 58th Avenue
Des Moines, IA 50313

Net Contents: 2.5 Gallons

DIRECTIONS FOR USE

Use CONQUER at a rate of 1-2 pint/acre as a replacement for non-ionic surfactants and crop oil concentrates. The high end of the recommended use rate may be necessary during periods when plants are subjected to extreme stress or weed populations.

The addition of a liquid fertilizer (28-32% nitrogen solution) may also be required to improve control under extreme environmental conditions. Always add CONQUER last to the spray mixture and provide good agitation.

Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The pesticide manufacturer's label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label.

STORAGE AND DISPOSAL INFORMATION

STORAGE: Store product in original container only, away from other pesticides, fertilizers, food or feed. Do not use, spill, or store near heat or open flame. Keep this container closed when not in use and take care to prevent any water from being introduced to the contents of this container. Avoid storage below 32°F. If CONQUER is stored below 32°F, it may become cloudy and thicken. Above 32°F, CONQUER returns to its normal clear fluid state.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Triple rinse empty container and offer for recycling/reconditioning or dispose of in an approved sanitary landfill. DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

NOTICE OF WARRANTY: Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
