READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS, CATS, AND PUPPIES OR KITTENS OLDER THAN 12 WEEKS OF AGE

Adams™ Plus Flea & Tick Shampoo with Precor® is a concentrated lathering shampoo enriched with oatmeal, coconut extract, lanolin, and aloe. Leaves the coat soft, shiny, and manageable. The shampoo removes loose dandruff, dirt, and scales. PRECOR® Insect Growth Regulator provides 28 days of control of pre-adult fleas before they become biting adults.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: Apply this product only as specified on this label. Do not contaminate food or feedstuffs. THIS PRODUCT IS FOR TOPICAL USE ONLY. DO NOT INGEST. Do not apply to pets (puppies or kittens) less than 12 weeks old. Consult a veterinarian before applying this product on medicated, debilitated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Do not apply more than once per day.

Adams™ Plus Flea & Tick Shampoo with Precor® may be used full strength or diluted 2 parts water. Thoroughly wet your pet with warm water. Do not apply shampoo around eyes. The total amount of shampoo to be applied is 11 tablets for each 5 lbs of pet’s weight. Estimate the total amount of shampoo needed for your pet, then apply shampoo along the back of the pet. Work well into coat starting at the head and working back. Spread lather to include head, neck, legs and feet. Continue to work lather in over the whole pet for 3 to 5 minutes (this is an important part of the grooming procedure). After lather has been worked in over the entire pet, rinse pet thoroughly with warm water. For extremely dirty or scary animals, the above procedure may be repeated. Repeat every 7 to 10 days, if necessary, for adult flea relief. Flea egg hatch inhibition will last for 28 days.

Environnemental Hazards
This product is toxic to aquatic organisms, including fish and invertebrates. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. This product has a potential for contaminating water through runoff. This product has a potential for runoff for several months or more after application. Poorly draining soils and areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

Warranty and Conditions of Sale: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, expressed or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller’s liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
