GERM-WIPE is a germicidal, broad-spectrum, disinfectant and deodorizer for use in homes, hospitals, nursing homes, schools, food processing plants, food service establishments, restaurants, school buildings, offices, banks, retail stores, and other areas where bacterial or viral contamination may occur. It is not intended to be used on skin or mucous membranes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is not for use on critical or semi-critical medical device surfaces. Fill or refill the 21 oz. product only when new or when refilling existing containers.

For surfaces that are non-porous (i.e., metal, porcelain, plastic, glass, etc.) use 1 oz. of the solution in 2 quarts of water. Pour the solution directly on a clean, soft cloth or directly on the surface. Let stand for 3 minutes then wipe clean. Do not immerse. Rinse the surface. Do not use on plastic or rubber surfaces.

For surfaces that are porous (i.e., wood, fabric, carpet, etc.) use 1 oz. of the solution in 2 quarts of water. Pour the solution directly on a clean, soft cloth or directly on the surface. Let stand for 3 minutes then wipe clean. Do not rinse. Wash the surface. Do not use on plastic or rubber surfaces.

The total performance germ-killing technology of GERM-WIPE contains both virucidal and fungicidal activity. The virucidal activity of GERM-WIPE is against a broad spectrum of viruses, including influenza, enterovirus, adenovirus, parainfluenza virus, rhinovirus, and bovine herpesvirus. The fungicidal activity of GERM-WIPE is against a broad spectrum of fungi, including Candida albicans, Aspergillus niger, and Penicillium notatum.

The active ingredients in GERM-WIPE are n-Butyl Alcohol, 95% Vol., n-Propyl Alcohol, 95% Vol., n-Octyl Alcohol, 95% Vol., n-Amyl Alcohol, 95% Vol., and 1-Butanol, 95% Vol.

The net contents of GERM-WIPE are 1 gallon (3.78 L) of a solution that is 70% alcohol.

**Caution:** Keep out of reach of children. Harmful if inhaled. Avoid contact with eyes or mucous membranes. Do not drink. Keep out of reach of children. If swallowed, do not induce vomiting. Get medical attention immediately.

**First Aid:**

1. If swallowed, do not induce vomiting. Get medical attention immediately.
2. If inhaled, move the person to fresh air. If breathing is difficult, administer oxygen. If breathing stops, perform artificial respiration. Get medical attention immediately.
3. If接触眼睛, flush eyes with large amounts of water for 15 minutes. Get medical attention immediately.

**Storing and Disposing:**

1. Store in a cool, dry place, away from heat and sunlight.
2. Do not store near water or other corrosive materials.
3. Do not incinerate or puncture the container.
4. Do not mix with other household chemicals.

**Precautionary Statements:**

**Hazard to Humans and Domestic Animals:**
