FIRST AID

HABITAY, WITH YOU WHEN OBTAINING TREATMENT ADVICE
IF SWALLOWED:
• Call a poison control center, doctor, or 1-877-682-9494, or 1-800-658-7379* immediately for treatment advice.
• Have person sip a glass of water if able to swallow.
• Do not induce vomiting unless told to do so by the poison control center or doctor.
• Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:
• Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
• IF IN EYES:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.

** Also call this number for information on health concerns and pesticide incidents.

NOTE TO PHYSICIAN

If swallowed or absorbed through the skin, this material may reduce the clotting ability of the blood and cause bleeding. If ingested, administer Vitamin K₁ intravenously or orally. Repeat as necessary based on monitoring of prothrombin times.

TREATMENT FOR PET POISONING

If animal eats, call veterinarian at once.

NOTE TO VETERINARIAN

Anticoagulant Bromadiolone: For animals ingesting bait and/or showing poisoning signs (bleeding or elevated prothrombin times), give Vitamin K₁, if needed, check prothrombin times every 3 days until value return to normal (up to 30 days). In severe cases, blood transfusions may be needed.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read this entire label and follow all use directions and use precautions. Use only for sites, pests and application methods described on this label.

IMPORTANT: Do not expose children, pets, or non-target animals to rodenticides. To help to prevent accidents:
1. Store unused product out of reach of children and pets.
2. Apply bait in locations out of reach of children, pets, domestic animals, and non-target wildlife, or in tamper-resistant bait stations. These stations must be resistant to destruction by dogs and by children under six years of age, and must be used in a manner that prevents such children from reaching into bait compartments and obtaining bait. If bait can be taken from bait stations when they are lifted, units must be secured or otherwise immobilized. Stronger bait stations are needed in areas open to hoofed livestock, raccoons, bears, or other potentially destructive animals, or in areas prone to vandalism.
3. Dispose of product container and unused, spoiled, or un consumed bait as specified on this label.

NOTE: Bait stations are mandatory for outdoor, above ground use. Tamper-resistant bait stations must be used if children, pets, non-target mammals or birds may access the bait.

USE RESTRICTIONS: This product may be used to control only Norway rats, roof rats, and house mice in sites identified below for Urban Areas and Non-Urban Areas. Do not place near or inside ventilation duct openings. Do not contaminate

6290-5

KILLS WARFARIN RESISTANT NORWAY RATS

Norway rats, roof rats and house mice may consume a lethal dose in one night's feeding with first dead rodents appearing four or five days after feeding begins.

ACTIVE INGREDIENT: Bromadiolone (CAS #2872-56-7): 0.005%
OTHER INGREDIENTS*: 99.995%
*Contains Denatonium Benzoate TOTAL 100.000%

KEEP OUT OF REACH OF CHILDREN CAUTION

See side panels for First Aid and additional precautionary statements.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals.

Pesticide Disposal: Washes resulting from the use of this product may be placed in trash or delivered to an approved waste disposal facility.

Pesticide Container: Nonreturnable container. Do not reuse or refill this container. Offer for recycling if available. Dispose of empty container by placing in trash, at an approved waste disposal facility or by incineration. Call your Local Waste Agency for any questions on proper disposal.

WARRANTY: To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and/or handling is contrary to all labels and instructions of the use.

Net Weight: 50 lbs (22.7 kg)

Environmental HAZARDS

This product is toxic to fish, birds and other wildlife. Dogs, cats, and predatory and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply this product directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark.

User Safety Requirements

Follow manufacturer's instructions for cleaning/keeping PPE. Do not allow others to touch treated areas.

Environmental HAZARDS

This product is toxic to fish, birds and other wildlife. Dogs, cats, and predatory and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply this product directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark.

Non-urban areas: This product may only be used in homes, and in and around related pest or feed sources.

CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Do not get in eyes, on skin, or on clothing. Keep away from children, domestic animals, and pets. All handlers (including applicators) must wear long sleeved shirt and long pants, shoes plus socks, and gloves. Any person who retrieves carcasses or unused bait following application of this product must wear gloves.
