KEEP OUT OF REACH OF CHILDREN

disinfects while you clean.

we set out to find a better way to clean, and we’re pretty happy with the results. we hope you will be too. don’t let the pleasant smell fool you. a patented botanical disinfectant made from essential oils kills 99.9% of household germs on hard non-porous surfaces.

kills over 99.9% of household germs: salmonella enterica, e.coli, and influenza a - and prevents bacterial regrowth on hard non-porous surfaces.

suitable for use on all hard non-porous surfaces where bacteria or unpleasant odors are a concern, including: food preparation surfaces, children’s toys, countertops, sinks and toilet seats.

Directions for Use:

it is a violation of Federal law to use this product in a manner inconsistent with its labeling. for heavily soiled or greasy areas, pre-cleaning is required.

to clean: wet the surface and wipe clean.

to disinfect, wet the surface, leave visibly wet for 10 minutes. allow to air dry, no rinsing or wiping is required, except on direct food contact surfaces which require a potable water rinse after treatment.

storage and disposal: non-refillable container. store airtight at room temperature. discard container between uses. do not reuse or refill this empty container. offer empty container for recycling. please recycle empty container. do not flush.
