- Aspergillus niger (Mold & Mildew)

INSTRUCTIONS FOR USE:
- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- To Open Package: Open cap lid and pull firmly on tab to remove entire cap from the container. Loosen cap at the center of the roll and insert corner of wipe through opening in lid. Do not push fingers through opening. Replace cap. Pull sheet up and slightly to side. Always keep lid securely shut between uses to prevent evaporation loss.
- To Use: Thoroughly clean the surface. Repeat for stubborn stains.
- To Sanitize: Disinfectant. Use fresh wipes on surfaces. Repeat for stubborn stains.
- To Sanitize/Freshen: Pre-clean surfaces. Use enough fresh wipes to thoroughly wet surface. To Sanitize: Allow to remain wet for 30 minutes.
- To Disinfect: Allow to remain wet for 10 minutes. Allow surface to air dry. Take off extra wet-away.
- For surfaces that come in contact with food: Use only on hard non-porous surfaces and then thoroughly with water.
- To Prevent the Growth of Mold and Mildew and their spores: Pre-clean hard, non-porous surfaces. Wipe surface and allow to remain wet for 10 minutes. Allow surface to air dry.
- Repeat applications in weekly rotation or when mold and mildew growth appears.
- NOT INTENDED FOR PERSONAL HYGIENE.

PRECAUTIONARY STATEMENTS: Hazard to persons and domestic animals. CAUTION: May cause eye irritation. Avoid contact with eyes.
Wash hands after use.

First Aid:
if in eyes: • Hold eye open and rinse slowly and gently with water for 15-30 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a Poison Control Center or doctor for treatment advice.

Contact Number:
Questions? Comments? Or in case of an emergency, call toll free 1-800-228-4722. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.
Contains no phosphates.
