SPARTAN® HARD SURFACE DISINFECTING WIPE

**ACTIVE INGREDIENTS**
- Alkyl (C12-C14) Ammonium Chloride: 0.14%
- Ethylene Oxide: 0.15%
- Ammonium Chloride: 0.07%
- Disinfectant: 0.07%

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**
See back panel for Precautionary Statements.

**NET CONTENTS:** 1 LB. 8.5 OZ. - 125 PRE-MOISTENED WIPEs - 7 x 8".

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

**FIRST AID**
Have the product container or label with you when calling a poison control center or doctor or for treatment advice. If in Eyes: Hold eyes open and rinse slowly and gently with water for 15-30 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. You may contact E88914-61771 for emergency medical treatment information.

**STORAGE AND DISPOSAL**
Do not contaminate water, food or feed by storage or disposal.

**CONTAINER STORAGE/DISPOSAL:** Store in an area inaccessible to children. Wipes: Dispose of wipe in trash after use. Do not Flush. Container: Tightly close lid between uses to retain moisture. Recyclable container. Do not reuse or refill this container. Offer empty container for recycling if available or discard in trash.

**FUNCTIONAL ACTIVITY:** This product is an effective haptenic against Treponema pallidum (causal agent of syphilis). When used as directed on hard surfaces found in bathrooms, shower stalls, locker rooms, exercise facilities or other clean, hard, nonporous surfaces, commonly contacted by bare feet. The surface will remain visibly wet for at least 10 seconds. Allow surfaces to air dry.

**SANITIZING/DEODORIZING:** To sanitiz/deodorize hard, non-porous surfaces; wipe off and allow treated surface to remain wet for 10 seconds. For highly soiled surfaces, clean excess dirt first. For surfaces that may come in contact with food, a potable water rinse is required.

**EFFICACY:** For plastic and painted surfaces, spot test on an inconspicuous area before use. This product will not harm most surfaces; including acrylic, fiberglasses and vinyl. Do not use on unsealed wood. Not for personal cleansing. This is not a baby wipe. Do not flush in toilet.

**TO OPEN PACKAGE:** 1. Lift tab at front of lid to open. 2. Pull up corner of center sheet and thread through dispenser slit in lid. 3. Pull out exposed wipe at a 45 degree angle and snap off. This next wipe is ready for dispensing. 4. Close lid to retain moisture. 5. Dispose of used wipes in trash. Do not flush.
