leaf spot

DISEASE
powdery
mite, rust, black spot

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
Shake well before using.

FOR CONTROL OF FUNGAL DISEASES
Thoroughly spray all areas of the plant, especially new shoots and the underside
of leaves. Pests need to be contacted by the spray to be controlled.

FOR CONTROL OF INSECT PESTS
Thoroughly spray all areas of the plant, especially new shoots and the underside
of leaves. Pests need to be contacted by the spray to be controlled.

DIRECTIONS FOR USE WITH TWIST AND SHOOT HOSSE END SPRAYER:
1. Make sure knob control is in the "OFF" position. Shake well and attach to garden hose.
2. Turn water on at faucet. When spraying low growing plants and small shrubs, twist the
control knob right to the "YANK" position. When spraying taller trees, shrubs and
other plants, twist the control knob left to the "STREATH" position for extended reach
and more uniform coverage. The product mixes automatically with the water as you spray.
3. To stop spraying, turn knob lever to the "OFF" position. Turn water off at faucet and
disconnect sprayer from garden hose.

USE SITE - INDOOR, OUTDOOR AND
GREENHOUSE

VEGETABLE AND VINE PLANTS such as:
bears, beets, blackberries, blueberries,
broccoli, brussel sprouts, cabbage, carrots,
cauliflower, collard, cucurbita (cucumber,

whiteflies, spodoptera,
mealybugs, scale, thrips, pythids,
plant bugs, fruit flies, earwigs

powdery
mite, rust, black spot

STORAGE AND DISPOSAL
Store at room temperature and protect from freezing.

CONTAINER DISPOSAL:
Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal
instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Causes moderate eye irritation. Avoid contact with eyes. Avoid contact
with skin or clothing. Wash thoroughly with soap and water after handling and
before eating, drinking, chewing gum or using tobacco.

ENVIRONMENTAL HAZARDS
This product may be hazardous to aquatic invertebrates. To protect the environment,
do not allow pesticide to enter or run off into storm drains, drainage ditches,
gutters or surface waters. Applying this product in calm weather or when rain is not
predicted for the next 24 hours will help to ensure that wind or rain does not blow
or wash pesticide off the treatment area. Rinsing application equipment over the
water basin will help avoid runoff to other bodies of water or drainage systems.

Physical or chemical hazards
Combustible. Do not use or store near heat or open flame.

Buyer assumes all responsibility for safety and use not in accordance with directions.

FIRST AID

IF IN EYES
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then
continue rinsing eye.

Call a poison control center or doctor for treatment advice.

IF ON SKIN
Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or
doctor for treatment.
