1. TO SANITIZE FOOD PROCESSING EQUIPMENT, UTENSILS, AND OTHER FOOD CONTACT ARTICLES REGULATED BY 40 CFR 818.940 (e) (1) (A) IN A

**DIRECTIONS FOR USE**

- **Step 1:** Thoroughly clean all surfaces with detergent and water before use. Rinse thoroughly with clean water.
- **Step 2:** Apply the sanitizer to all surfaces. Allow to remain in contact with the equipment for the appropriate contact time as specified on the label.
- **Step 3:** Thoroughly rinse all surfaces with clean water before use.

This product is effective against a wide range of microorganisms, including: Staphylococcus aureus (MRSA), and Verlander methicillin-resistant (VMRSA) bacteria. Other microorganisms such as: Salmonella enterica (S. Typhimurium), Shigella sonnei, Shigella flexneri, Escherichia coli O157:H7, Klebsiella pneumoniae, and Pseudomonas aeruginosa are also susceptible.

This product is effective against bacteria and viruses at concentrations of 50 ppm (0.005%) for at least 2 minutes. Use in accordance with label instructions. Do not use on food-contact surfaces of food-processing equipment, dairy equipment, food utensils, dishes, etc.

1. A Violation of Federal Law to use this product to any non-food-contact surface of a food establishment.
STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

DISPOSAL: Non-combustible. Do not incinerate. Call a hazardous waste disposal service for disposal.

PRECAUTIONARY STATEMENTS

Hazardous to Humans and Domestic Animals

WARNING: Causes irreversible eye damage and skin burns. Do not get in eyes or on clothing. Harmful if swallowed or inhaled. Clothing may stick to skin.

FIRST AID

If in Eyes: Hold open and rinse slowly with running water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eye.

If on Skin or Clothing: Take off contaminated clothing. Rinse immediately with plenty of water for 15 to 20 minutes. If swelling occurs, seek medical attention. Wear protective eyewares (goggles), seek medical attention, and protective gloves (latex gloves) if exposed.

Inhalation: Remove to fresh air. If breathing is difficult, give artificial respiration. If breathing has stopped, give artificial respiration and seek medical attention.

Ingestion: Do not induce emesis. Give 1 to 2 teaspoons of water or syrup of ipecac. Call a Poison Control Center or your doctor.

NO FOOD, DRINK OR SMOKE

Storage: In original container. Store in a cool, dry place protected from freeze or heat. Do not store near an open flame or heat source. Follow all storage instructions on the label.

CONTAINER DISPOSAL: Non-combustible. Do not incinerate. Call a hazardous waste disposal service for disposal.
