CORROSIVE: CAUSES BLOODLESS OR EYE DAMAGE. MAY BE FATAL IF SMALL AMOUNTS OF GUARDIAN COATING FORM ARE INhaled. CORROSIVE TO SKIN, CAUSES BURNING, PROLONGED OR FREQUENTLY REPEATED SKIN CONTACT MAY CAUSE CHRONIC INJURY TO SKIN. CAUSES BURNING, PROLONGED OR FREQUENTLY REPEATED CONTACT TO EYES MAY CAUSE CHRONIC INJURY TO EYES. DO NOT GET IN EYES, ON SKIN, OR CLOTHING. IN CASE OF CONTACT IMMEDIATELY REMOVE ALL CLOTHING. WASH WITH ABUNDANT WATER FOR 15 MINUTES. USE APPROPRIATE SOAPS. KEEP WATERTIGHT. USE ADEQUATE VENTILATION. WASH THROUGHFULLY WITH SOAP AND WATER AFTER HANDLING AND BEFORE EATING, DRINKING, USING TOBACCO, OR USING THE TOILET. FOR ACCIDENTAL CONTACT WITH CONTAMINATED CLOTHING AND SKIN WASH BEFORE REHEATING.

ADVICE ON DECONTAMINATION (PPE):
- Application and other handlers must wear: coveralls worn over long sleeved shirt and long pants, chemical resistant hoodwear plus socks, goggles or face shield, chemical resistant gloves (such as latex, nitrile, neoprene/CR, nitrile rubber, polyvinyl chloride or NBR and NBR/CPE), face shield, and chemical resistant apron. Follow manufacturer's instructions for choosing proper PPE. Such protective clothing and equipment must be selected for the specific task and work environment. Use detergent and hot water and keep PPE separate from other laundry.

General Precautions and Recommendations:
- Do not allow the product in any way that will contact workers or other persons.
- ENVIRONMENTAL HAZARDS: This product is toxic to fish and aquatic organisms.
- Do not contaminate water, food, feed, or feed storage areas with this product.
- Do not contaminate water, feed, feed storage areas, or waterfowl with this product and its containers.
- Do not apply to or allow runoff from treated sites onto aquatic habitats, streams, rivers, lakes, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit.
- Do not dispose of this product in consumer off-site waste systems.

STORAGE AND DISPOSAL:
- Do not contaminate water, food, or feed storage areas with this product.
- Do not contaminate water, feed, feed storage areas, or waterfowl with this product and its containers.
- Do not apply to or allow runoff from treated sites onto aquatic habitats, streams, rivers, lakes, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit.

CHEMICAL AND PHYSICAL HAZARDS: Reaction with strong reducing agents may result in an explosion of the mixture.

DIRECTIONS FOR USE:
- Do not apply to aquatic habitats, streams, rivers, lakes, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit.

ADVICE ON DECONTAMINATION (PPE):
- Application and other handlers must wear: coveralls worn over long sleeved shirt and long pants, chemical resistant hoodwear plus socks, goggles or face shield, chemical resistant gloves (such as latex, nitrile, neoprene/CR, nitrile rubber, polyvinyl chloride or NBR and NBR/CPE), face shield, and chemical resistant apron. Follow manufacturer's instructions for choosing proper PPE. Such protective clothing and equipment must be selected for the specific task and work environment. Use detergent and hot water and keep PPE separate from other laundry.
