Liquid Ladybug™ is not registered with US Federal Environmental Protection Agency since it qualifies for exemption under FIFRA section 25(b) as a minimum risk pesticide.

99867-10001

Made In USA

Directions for Use:
Shake bottle well before use. Spray liberally to stems and branch junctions, upper and lower leaf surfaces and fully wet all areas at the one time.

Indoors 70F to 80F: Allow the plant to completely air dry with room fans off. Do not rinse afterwards. Repeat this application on the 5th and 10th day to eliminate all remaining newly hatched mites.

Outdoors: Fully wet all surfaces of infested plants, re-apply at 5 day intervals until controlled to a level of satisfaction.

Does not leave residue and will not stain. Washes off surfaces with water rinse.

Active Ingredients: organic plant oils
- Organic Peppermint oil 0.40%
- Organic Geraniol 0.30%
- Citric Acid 0.10%
- Other ingredients* 99.20%
Total 100.00%

*Other ingredients: Water, Glycerin, Vitamin E.
