• dimethylbenzylammonium chloride 0.8%
n-Alkyl (68% C12, 32% C14) dimethyl
• ethylbenzylammonium chloride 0.8%
INERT INGREDIENTS 99.2%
TOTAL 100.0%

KEEP OUT OF REACH OF CHILDREN
WARNING
Contents under pressure. Do not puncture.
Do not use or store near heat or open flame.
Exposure to temperatures above 120°F may cause bursting. Never throw container into fire or incinerator. See back panel for additional precautionary statements.
DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
This product is designed for cleaning, deodorizing, and disinfecting in hospitals, nursing homes, schools, hotels, and homes.
This product is effective where housekeeping is of prime importance in controlling cross-contamination from treated surfaces.
This product when used as directed is formulated to disinfect, inanimate, hard non-porous surfaces: walls, floors, sink tops, toilet bowls, toilet seats, chairs, tables, telephones, restrooms, shower stalls, bathtubs, hampers, and cabinets.
This product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls, and other areas which are prone to odors caused by microorganisms.
This product is not for use on critical and semi-critical medical device surfaces.

DISINFECTION, DEODORIZING AND CLEANING
Shake can before using. Hold container six to eight inches from surface to be treated. Spray area until it is covered with white foam. Allow foam to penetrate and remain wet for 10 minutes. No scrubbing is necessary. Wipe off with a clean cloth, mop or sponge. This product will not leave grit or soap scum.
For heavily soiled areas, a pre-cleaning step is required before treatment.

HILDEWINTER – To control mold and mildew on pre-cleaned, hard, non-porous surfaces, spray surface to be treated making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mildew growth appears.

BACTERICIDAL ACTIVITY – When used as directed, this product exhibits effective disinfectant activity against the organisms: Staphylococcus aureus, Salmonella enterica and Pseudomonas aeruginosa, and meets ACOG Germicidal Spray Products Test requirements for hospital disinfectants.

FUNGICIDAL ACTIVITY – This product is fungicidal against the pathogenic fungi, Trichophyton mentagrophytes (Athlete’s Foot Fungus) when used as directed on hard surfaces found in bathrooms, shower stalls, locker rooms, or other clean, non-porous, hard surfaces commonly contacted by bare feet.

PRECAUTIOMAR STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING: KEEP OUT OF REACH OF CHILDREN. Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful If swallowed. Avoid contamination of food. Remove contaminated clothing and wash before reusing. Wash thoroughly with soap and water after handling.

FIRST AID
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
If in eyes – Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eyes. Call a poison control center or doctor for treatment advice.
If on skin or clothing – Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If swallowed – Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
If inhaled – Move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL
DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE OR DISPOSAL.
CONTAINER DISPOSAL – Do not puncture or incinerate. Nonrefillable container. Do not reuse or refill this container. If empty: place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions.

PESTCIDE STORAGE – Store in a dry place no lower in temperature than 50°F or higher than 120°F.
