(d-Propoxycarbonyl) ether and min. 0.3% related compounds.

KEEP OUT OF REACH OF CHILDREN
CAUTION
See back panel for additional precautionary statements

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON CATS

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To
control spirocere ear mites and ear mites and to remove ear wax, apply 10 drops to each ear.
Massage base of ear a few minutes to assist penetration of the ear wax by the solution. Allow
gel to absorb as it hardens. Wipe every position from the ear with cotton. Repeat every 2 days
until condition has cleared up or as directed by your veterinarian. As a preventative treatment, apply
this solution every 15 days to reduce ear mite and ear tick infestation and ear wax accumulation.
Do not use on cats under 12 weeks of age. Consult a veterinarian before using this product on
debilitated, medicated, aged, pregnant or nursing animals.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Store in a cool, dry area. Always store pesticides in the original
container. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or
refill this container. If empty: Do not reuse this container. Place in trash or offer for
recycling if available. If partly filled: Call your local solid waste agency for disposal
instructons. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if swallowed or inhaled. Avoid contact with skin, eyes and clothing. Wash
thoroughly with soap and water after using. Do not contaminate food or foodstuffs with this solution.
Avoid contact with animal's eyes. Consult vet if needed. Use only as directed. Avoid placing
any pesticide product on or near any cats. If signs of sensitivity occur in your cat, remove
product and consult your veterinarian immediately.

FIRST AID
Have the product container or label with you when calling a poison control center or doctor,
or going to treatment.

If swallowed
• Call poison control center or doctor immediately for treatment advice.
• Have person sip a glass of water if able to swallow.
• Do not induce vomiting unless told to do so by the poison control center or doctor.
• Do not give anything by mouth to an unconscious person.

If inhaled
• Move person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration,
preferably by mouth-to-mouth, if possible.
• Call a poison control center or doctor for further treatment advice.

If on skin or clothing
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor for further treatment advice.

If in eyes
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for further treatment advice.

PHYSICAL OR CHEMICAL HAZARDS
Do not use air freshener, heat or smoke flame. For information call 1-800-990-6455
