ENVIRONMENTAL HAZARD: This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, or other water bodies. Discharge may be permitted only in accordance with the requirements of a Federal Pollutant Discharge Elimination System (DPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

BUSAN 1264 is an effective preservative in various aqueous compositions. The concentration required to give protection depends on several factors. These include the susceptibility of the system to biological degradation, the extent to which microorganisms can gain access, the exposure involved, pH, temperature, and length of time for which protection is required. For protection against bacterial attack, a concentration within the range of 0.05% to 0.25% BUSAN 1264 is almost invariably sufficient. The control of mold growth, particularly on paints or coatings of high solids content, may occasionally require demand doses above 0.25%. In whole foods systems, spoilage is usually controlled with doses greater than 0.20%. Do not use at concentrations greater than 0.5%.

Typical applications, and the suggested range of concentrations on which these can be based are:

- Refer to the table at the end of this section for recommended doses.
- Typical applications and the suggested range of concentrations on which these can be based are:
  - Add 0.05% to 0.25% BUSAN 1264 to water-based adhesives, based on formulation.
  - Add 0.10% to 0.50% BUSAN 1264 to water-based adhesives, based on formulation.
  - Add 0.15% to 0.50% BUSAN 1264 to water-based adhesives, based on formulation.
  - Add 0.20% to 0.50% BUSAN 1264 to water-based adhesives, based on formulation.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Do not contaminate water, food, or feed by storage, disposal, or cleaning of equipment. Do not allow to remain in the environment.

If finely divided: Wash associated with this pesticide are acutely hazardous. Excess pesticide or rinsates must be handled and disposed in accordance with local state and federal regulations. If these materials cannot be used according to label instructions or cannot be returned and must be disposed, contact your Environmental Control Agency or the Resource Conservation and Recovery Act (RCRA) Hazardous Waste representative at the nearest EPA Regional Office or disposal guidance.

If empty: Non-returnable plastic or metal containers: Triple rinse (or equivalent) and empty into application equipment. Then offer for recycling or reconditioning, or puncture and dispose in a sanitary landfill, or by other procedures approved by state and local authorities. If container is not used, follow pesticide disposal instructions. Do NOT use or refill this container.

GENERAL: CONSULT FEDERAL, STATE, OR LOCAL DISPOSAL AUTHORITY FOR APPROVED ALTERNATIVE PROCEDURES.

CONDITIONS OF SALE AND WARRANTY

BUCKMAN LABORATORIES warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in accordance with label directions under normal conditions of use. IN NO EVENT WILL BUCKMAN LABORATORIES MANUFACTURING CORPORATION, ITS OFFICERS, DIRECTORS, OR EMPLOYEES, BE LIABLE FOR ANY CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT OR ITS CONVERSION, OR ARISING OUT OF THE USE OF ANY RECIPE OR PROCEDURE CONTAINED IN THIS PRODUCT. BUCKMAN LABORATORIES MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES, EITHER OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE. Handling, storage, and use of the product by the Buyer or User are beyond the control of BUCKMAN LABORATORIES and Seller. Risks such as weather conditions, or other unforeseen circumstances, or any consequences resulting from, but not limited to, failure to follow label directions will be assumed by the Buyer or User. TO THE EXTENT PERMITTED BY LAW, NEITHER BUCKMAN LABORATORIES NOR SELLER SHALL BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE HANDLING, STORAGE, OR USE OF THIS PRODUCT.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGEROUS MATERIAL. PROTECTIVE measures must be considered due to the effects of the material.

CAUSES IRREVERSIBLE EYE DAMAGE

CAUSES SKIN DAMAGE

HARMFUL IF INHALED

HARMFUL IF ABSORBED THROUGH SKIN

MAY BE FATAL IF INHALED

DO NOT GET IN EYES, ON SKIN OR CLOTHING. WEAR PROTECTIVE EYEWEAR SUCH AS GOGGLES OR FACE SHIELD. WEAR OVERALLS - WORK-OR-DRIED SPLIT-LEATHER SHOES, WORK CLOTHING, OR OTHER PROTECTIVE ATTIRE.

NOT TO BE TREATED AS A HAZARDOUS WASTE

This product is not a hazardous waste as defined by the U.S. Environmental Protection Agency. Do not mix with other materials, and do not transport or dispose of as hazardous waste. Dispose of according to local, state, and federal regulations.

NOTICE TO PHYSICIAN

Prohibited mucosal damage can be minimized by the use of gastric lavage.
