For Cats and Kittens 8 weeks of age and older

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS – CAUTION
HAZARDS TO HUMANS
Harmful if swallowed. Causes moderate eye irritation. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Avoid contact with eyes or clothing.

HAZARDS TO DOMESTIC ANIMALS
For external use only. Do not use on kittens less than eight (8) weeks of age. As with any product, consult your veterinarian before using the product on debilitated, aged, pregnant or nursing animals or animals known to be sensitive to pesticides. Sensitivities, such as hair sparseness or hair loss or skin irritation or discoloration or salivation may occur. If sensitivities occur or persist, contact your veterinarian. If you have questions regarding the use of this product consult your veterinarian, your cat’s healthcare expert. For technical assistance or to report an adverse reaction, call 1-888-545-5973.

FIRST AID
IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

Call a poison control center or doctor for treatment advice.

IF SWALLOWED:
Call a poison control center or doctor immediately for treatment advice. Have the product label with you when you call the poison control center or doctor. Do not give anything to an unconscious person.

Call a poison control center or doctor for treatment advice. You may also contact Rocky Mountain Poison Control at 1-888-767-5023 for emergency medical treatment information.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. More detailed directions for use are included in the box. Read the entire label, directions for use and frequency of application each time before using this product.

For prevention and treatment of fleas, part the hair on the neck at the base of the head and apply the contents of the applicator tube to a single spot on the skin of the cat. Do not apply on the surface of the cat's hair coat. Place the empty applicator tube in the trash.

Monthly application is recommended to prevent and treat flea infestations. Assurity™ starts working in 30 minutes, kills adult fleas before they can lay eggs and continues killing fleas for a full month after application.

FIRST AID:

Call a poison control center or doctor for treatment advice. You may also contact Rocky Mountain Poison Control at 1-888-767-5023 for emergency medical treatment information.
HOW TO APPLY
To kill fleas and prevent reinfestations, apply to cats and kittens only.

1. Use only on cats and kittens 8 weeks of age and older. Do not use on other animals.
2. Remove one applicator tube from the blister package. Hold upright.
3. Part the hair on the neck at the base of the head until the skin is visible. Place the tip of the tube directly above the skin and squeeze the tube in a straight line to expel the contents of the tube directly on the skin. Avoid getting the product in your pet’s eyes or mouth. Treatment at the base of the tail will expose the opportunity for the cat to directly lick the product out of the tube. If the cat will not accept this or does not tolerate it, then you may put one small residual remaining in the tube and wrap it in a napkin or cloth. (There may be a small residual remaining in the tube after a full dose is expelled.)
4. Discard empty applicator tube in the trash.

LIMITED WARRANTY AND LIMITATIONS OF LIABILITY
We, the manufacturer, buyers accept the following conditions, disclaimers of warranties and limitations of liability. The manufacturer for use of this product is believed to be adequate and must be followed. All risks of product or handling are assumed by the user or buyer. Our agents are not authorized to make, extend or modify any warranties. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, ELANCO DISCLAIMS NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE. THAT EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL. ELANCO DISCLAIMS ANY LIABILITY, DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise (limited to the purchase price paid or replacement of the product).

CAUTION
HAZARDS TO HUMANS
Keep out of reach of children and domestic animals - caution.

HAZARDS TO DOMESTIC ANIMALS
May be harmful. Causes moderate eye irritation. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Avoid contact with eyes or clothing.

HAZARDS TO DOMESTIC ANIMALS
