SAFEWAY™
ONE STEP CLEANING, DISINFECTING AND DEODORIZING
- Kills 99.9% of bacteria in 15 seconds.
- Disinfects household kitchen and bathroom bacteria.
- Kills cold and flu virus* (*Effective against common cold virus caused by Coronavirus and common flu virus caused by Influenza A/Hong Kong)
- Effective against Escherichia coli, Salmonella enterica (Salmonella), Staphylococcus aureus (Staph), Pseudomonas aeruginosa.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO DISPENSE WIPES
Remove lid and discard inner seal from container. Find center of wipe roll, remove first wipe for use, hold corner of wet wipe into a pocket and tear through the hole in the center of the roll through about one inch. Replace lid. Dispense remaining wipes as necessary by pulling out at an angle. When not in use, keep center cap of lid closed to prevent moisture loss.

TO DISINFECT
Use a wipe to remove heavy soil. Unfold a clean wipe and thoroughly wet surface. Twisted surface must remain visibly wet for a full three (3) minutes. Use additional spray(s) if needed to achieve combined 3 minute wet contact time. A thorough rinse with potable water is required for surfaces in direct contact with food. To SANITIZE NONFOOD SURFACES: Use a wipe to remove heavy soil. Unfold a clean wipe and thoroughly wet surface. Twisted surface must remain visibly wet for a full three (3) minutes. Use additional spray(s) if needed to achieve combined 3 minute wet contact time.

PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash hands before eating, drinking, chewing gum, using tobacco or using toilet.

FIRST AID if eye wipe: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor for treatment.

PHYSICAL OR CHEMICAL HAZARDS: Combustible. Do not use or store near heat or open flame. Do not use on natural marble, windows, unpainted wood, brass, clear plastic or colored grout.

STORAGE AND DISPOSAL
Storage: Do not store near heat or open flame. When not in use, keep center cap of lid closed to prevent moisture loss. To use, unroll, hold corner of wipe, and tear at a 45° angle. Do not reuse towelette. Dispose of used towelette in trash. Do not flush in toilet. Dispenser Disposal: Nonrefillable container. Do not reuse or refill this container; triple rinse and offer for recycling. If recycling is not available, put in trash collectors.
