32 FL OZ (1 QT.) 946 ml

AJAX® DISINFECTANT CLEANER is a one-step disinfectant spray that works in the presence of 5% organic food. For use on toilet seats, telephones, door knobs and similar hard, nonporous, inanimate environmental surfaces in restaurants, hotels, motels, gas stations, health clubs and spas. Controls cross-contamination from treated inanimate environmental surfaces.

DIRECTIONS FOR USE:

1. DISINFECT / CLEAN / DEODORIZE:

Pressurize all heavily soiled surfaces prior to product application. To clean, deodorize and disinfect, hold dispenser 10 inches from the surface, press trigger sprayer with quick short strokes, spraying evenly until surface is thoroughly wet. Wait 10 minutes and wipe or air dry. For food contact surfaces such as tables and counters, rinse with potable water. Do not use on glasses, dishes or clothes.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

STORAGE AND DISPOSAL:

Store in an area inaccessible to children and persons unfamiliar with product use. Non-refillable container. Do not reuse or refill empty container. Triple rinse promptly, then recycle empty container, if available, or discard in trash. *Pseudomonas aeruginosa, Staphylococcus aureus, Salmonella enterica serotype choleraesuis.
