**COMBAT ROACH KILLING BAIT STRIPS**

- Thin, clear, adhesive strips.  
- Goes where bait stations can't.  
- The easy way to solve your roach problem.

**STEP 1**

- **PEEL**

**STEP 2**

- **STICK TO CLEAN SURFACE**
- **ACTIVATE**

**DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not use for control of insects other than those listed on this label.

**For indoor and outdoor (adjacent to the home) use:**

1. To place strips indoors or outdoors (adjacent to the home), peel off protective film on the bottom of the strip marked “Step 1” and stick to a clean surface.
2. To activate a strip, peel off the protective film on top of the strip marked “Step 2”.
   - Discard the removed film in the trash
   - Use all bait strips at one time.
   - Replace after 3 months.

**DO NOT** use in beehives.  
**DO NOT** spray insecticide on or around the bait strips, as sprays will contaminate bait strips and reduce effectiveness.

**HOW THIS PRODUCT WORKS:**

- Roaches eat the gel bait.  
- Roaches carry the gel back to the nest where other roaches are exposed to the insecticide.  
- The entire nest is destroyed.

**RECOMMENDED BAIT STRIP PLACEMENT LOCATIONS**

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal.  
**STORAGE:** Store in a cool, dry area out of reach of children.  
**DISPOSAL:** If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If recycling is not available, place in trash. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Keep bait strips away from foods and food contact surfaces. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID: If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If in Eyes: Hold eye open, rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

PHYSICAL OR CHEMICAL HAZARDS: Do not use this product in or on electrical equipment due to the possibility of a shock hazard.
