COMBAT ANT KILLING BAIT STRIPS

- Thin, clear, adhesive strips.
- Goes where bait stations can't. • The easy way to solve your ant problem.

**STEP 1**
PEEL

**STEP 2**
STICK TO CLEAN SURFACE
ACTIVATE

**DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Keep bait strips away from open foods and food contact surfaces. Do not apply bait strips on food/feed preparation surfaces.

For indoor and outdoor (adjacent to the home) use:

1. Place bait strips near ant trails or where ants may enter your home. To place strips indoors and outdoors (adjacent to the home), peel off protective film on the bottom of the strip marked “Step 1” and stick to a clean surface.

2. To activate a strip, peel off the protective film on top of the strip marked “Step 2”:
   - Discard the removed film in the trash
   - Use all bait strips at one time.
   - Replace after 1 month.

DO NOT use sprays on or around the bait strips.

**HOW THIS PRODUCT WORKS:**

- Ants* find and feed on the gel bait.
- Worker ants* take the gel bait back to the nest where they feed it to the queen and the entire colony.

Destroys the queen and the entire colony.

**RECOMMENDED BAIT STRIP PLACEMENT LOCATIONS**

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. STORAGE: Store in a cool, dry area out of reach of children. DISPOSAL: If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If recycling is not available, place in trash. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

*EXCEPT FOR CARPENTER, FIRE, PHARADH AND HARVESTER ANTS

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID: If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If in Eyes: Hold eye open, rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

PHYSICAL OR CHEMICAL HAZARDS: Do not use this product in or on electrical equipment due to the possibility of a shock hazard.

Should you have any questions regarding COMBAT®, please call 1-800-426-6228.
