TOTAL: 100.00%

TOTAL NET WT 0.35 OZ (10g)

ANTS©
HOW COMBAT™ ANT KILLING BAIT STRIPS WORK:
1. Ants find the bait strips and eat the bait.
2. Ants carry the bait back to the colony so that it kills the queen and other ants in the colony.

DIRECTIONS FOR USE:
It is a violation of federal law to use this product in a manner inconsistent with its labeling. Keep bait strips away from open foods and food-contact surfaces. Do not apply bait strips on food/food preparation surfaces.

FOR INDOOR AND OUTDOOR (ADJACENT TO THE HOME) USE:
1. Break strips apart.
2. Stick the strip to a clean surface. Place near ant trails or where ants may enter your home. USE ALL BAIT STRIPS AT ONE TIME.
3. To activate strip, peel off the protective film on top of the strip marked "Peel Here".
4. To place strip in a chosen location indoors or outdoors (adjacent to the home), peel off protective film on the bottom of the strip marked "Remove to Adhere."
