**ANT KILLING BAIT STRIPS**

**DISCREET DESIGN**  
**KILLS FAST**  
**EASY TO APPLY**

**5 BAIT STRIPS**

**KILLS THE COLONY**

**HOW COMBAT® ANT KILLING BAIT STRIPS WORK:**

1. Place the strips around ant paths and near the nest.
2. Ants carry the white bait back to the colony to eat it, killing the queen and other ants in the colony.

**DIRECTIONS FOR USE:**

1. Place strips at all entrances to the house and around the nest. Place strips away from open foods and food sources. Do not apply strips on electrical appliances or near food sources.

2. Tear strips apart.

3. Place strips in areas where ants are found, such as in dark, quiet places, and on outside walls or near the nest. Place strips under doors, near the baseboards, and around the outside walls.

4. Place strips on the baseboard or under the baseboard, or place strips near the outside walls.

5. Do not apply strips on electrical appliances or near food sources.

6. Place strips in areas where ants are found, such as in dark, quiet places, and on outside walls or near the nest. Place strips under doors, near the baseboards, and around the outside walls.

**GUARANTEED TO WORK OR YOUR MONEY BACK!**

Removal, call the Consumer Service at 1-800-949-4742.

**PRECAUTIONARY STATEMENTS:**

**CAUTION:**

Do not apply on or near electrical appliances, food, or food sources. Use of this product in or on food or food sources, or on food contact surfaces, may result in a Federal or State offense. Follow all precautions and directions for use. Store in a cool, dry place away from children. Keep out of reach of children.

**STORAGE AND DISPOSAL:**

Store in a cool, dry place away from children. Keep out of reach of children.
