FIESTA TURF WEED KILLER

Active Ingredient:
Iron HEDTA (FeHEDTA) ........................................ 26.52%
Other Ingredients: .................................................. 73.48%
Total: ...................................................................... 100.00%

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AID

IF IN EYES
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

EPA File Symbol No. – 67702-26-87865
EPA Establishment No. – 58996-MO-1

Manufactured For:
Engage Agro USA, LLC
118 E. Carleton Street, Suite A
Prescott, AZ 86303
Phone: 928-445-7990

Net Contents: > 5 gallons
DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Read and follow all applicable directions and precautions on this label before using.

SITES: Lawns, turf (use on rights of way or non-crop areas), golf courses, parks, playgrounds, cemeteries, athletic fields

Pests:

Controls or suppresses weeds such as but not limited to:

- Black medic (*Medicago lupulina*)
- Broadleaf plantain (*Plantago major*)
- Bull thistle (*Cirsium vulgare*)
- Canada thistle (*Cirsium arvense*)
- Common chickweed (*Stellaria media*)
- Creeping buttercup (*Ranunculus repens*)
- Dandelion (*Taraxicum officinale*)
- Dovefoot geranium (*Geranium molle*)
- English daisy (*Bellis perennis*)
- False dandelion (*Hypochoeris radicata*)
- Healall (*Prunella vulgaris*)
- Moss, liverworts, algae and lichens
- Narrow-leaved plantain (*Plantago lanceolata*)
- Persian Speedwell (*Veronica persica*)
- Shepherd’s-purse (*Capsella bursa-pastoris*)
- Silverweed cinquefoil (*Potentilla anserina*)
- Slender speedwell (*Veronica filiformis*)
- White clover (*Trifolium repens*)
- Wild chamomile (*Matricaria chamomilla*)

Application Directions

Shake well before using. Mix one part FIESTA TURF WEED KILLER with 24 parts water (5 oz. in 1 gallon of water). Apply the mixed solution at a rate of 5-10 gallons/1000 ft² (5.75-11.5 fluid oz/yard²). Any standard hand-held or backpack sprayer can be used. Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Uniform coverage is important.

Repeat treatment in 3 to 4 weeks for best results.
What will I see?

Works quickly; dying weeds will be seen within hours of application. Treated weeds, moss or algae will turn brown or black. Occasionally a darkening of the grass leaf blades can occur after treatment, however the grass will recover within a few days to weeks. May stain thatch (dead grass under lawn); this does not affect the health of the grass.

Use Precautions:

Do not apply to drought stressed grass; ensure lawn is well watered prior to application. Do not apply when the daytime temperature will exceed 85°F. Do not apply to bentgrass. If unsure of grass sensitivity, test spray a small area of your lawn. Do not apply to newly seeded areas prior to grass seed germination. Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water. To avoid staining, wait until treated area dries before re-entry. Do not apply if rainfall is expected within 3 hours of application. Do not irrigate within 3 hours of application. Do not apply to the same area more than 4 times a year.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store in a secure place, away from open fire or flame. Keep container closed and reseal after use. If spilled, use absorbent materials and dispose of in an approved manner.
DISPOSAL
PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows:

Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Offer for recycling, if available.
FIESTA TURF WEED KILLER:

- Kills weeds not lawns
- Works in cool weather
- Rainfast in 3 hours
- Works fast
- See results the same day
- No unpleasant odor
- Eliminates unwanted moss, algae and lichens quickly
- Lawn areas can be re-sown within one day of treatment with FIESTA
- Even works in cool weather
- Kills weeds, down to the root
- Best results are obtained when applied in the Spring or Fall when environmental conditions are cool and there is ample moisture
- The best times to treat weeds are in the Spring when they are small and growing and in the Fall to eliminate many of next year’s weeds
- People and pets can enter treated area when spray dries

NOTICE TO BUYER

Seller warrants that this product conforms to the chemical description on this label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks described above, when used in accordance with the Directions for Use under normal conditions. To the extent consistent with applicable law, this warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to Seller. To the extent consistent with applicable law, the Seller shall not be liable for any such use. To the extent consistent with applicable law, the Seller makes no other warranties, either expressed or implied.

PESTS:
- Broadleaf plantain (Plantago major)
- Black medic (Medicago lupulina)
- Bull thistle (Cirsium vulgare)
- Canada thistle (Cirsium arvense)
- Creeping buttercup (Ranunculus repens)
- Dandelion (Taraxacum officinale)
- Derris root geranium (Geranium molle)
- English daisy (Bellis perennis)
- False dandelion (Hypochaeris radicata)
- Field bindweed (Convolvulus arvensis)
- Moro, liverworts, algae and ichens
- Narrow-leaved plantain (Plantago lanceolata)
- Persian Speedwell (Veronica persica)
- Shepherd's-purse (Capsella bursa-pastoris)
- Silverweed cinquefoil (Potentilla anserina)
- Skunkweed speedwell ( Veronica linifolia)
- White clover (Trifolium repens)
- Wild chamomile (Matiaris chamomila)

APPLICATION DIRECTIONS
Shake well before using. Mix one part FIESTA TURF WEED KILLER with 24 parts water (5 oz. in 1 gallon of water). Apply the mixed solution at a rate of 5-10 gallons/1000 sq ft (5.75-11.5 fluid oz./yr). Any standard hand-held or backpack sprayer can be used. Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Uniform coverage is important. Repeat treatment in 3 to 4 weeks for best results.

WHAT WILL I SEE?
- Works quickly; dying weeds will be seen within hours of application.
- Treated weeds, moss or algae will turn brown or black.
- Occasionally a darkening of the grass leaf blades can occur after treatment, however the grass will recover within a few days to weeks. May stain thatch (dead grass under lawn), this does not affect the health of the grass.

USE PRECAUTIONS:
- Do not apply to drought stressed grass, ensure lawn is well watered prior to application. Do not apply when the daytime temperature will exceed 85°F. Do not apply to bergrass. If unsure of grass sensitivity, test spray a small area of your lawn.
- Do not apply to newly seeded areas prior to grass seed germination. Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water. To avoid staining, wait until treated area dries before re-entry. Do not apply if rainfall is expected within 3 hours of application. Do not irrigate within 8 hours of application. Do not apply to the same area more than 4 times a year.
STORAGE AND DISPOSAL

- Do not contaminate water, food or feed by storage or disposal.
- PESTICIDE STORAGE: Store in a secure place, away from open fire or flame. Keep container closed and seal after use. If spilled, use absorbent materials and dispose of in an approved manner.
- PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
- CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Container Size 5 gallons or less - Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinseate into application equipment or a mix tank or store rinseate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Offer for recycling, if available. Container Size greater than 5 gallons - Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinseate into application equipment or a mix tank or store rinseate for later use or disposal. Repeat this procedure two more times. Offer for recycling, if available.
