Net Contents: 1 Gal (3.795 L)

RM# 300508940
DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Horses Use Full Strength: This non-oily insecticide repellent may be applied with a trigger spray applicator or as a wipe. Kills and repels stable flies, horse flies, face flies, deer flies, house flies, horn flies, mosquitoes, gnats and ticks. Do not use on foals under 3 months of age.

Directions for Trigger Spray Use: Remove excess dirt and dust. Apply light spray mist to coat while brushing lightly against lay of the hair. Avoid spray in eyes and mucous membranes. Apply with sponge or cloth to those areas.

Directions for Wipe-On Use: Thoroughly brush horse to remove excess dirt and dust. Extremely dirty horses should be shampooed, rinsed and allowed to dry before applying wipe. Use a sponge, clean soft cloth, or mitt. Apply liberally over areas to be protected. Pay special attention to legs, belly, shoulders, neck, and facial areas. Avoid eyes and mucous membranes.

Read entire label before each use.

USE ONLY ON HORSES

Precautionary Statements

Hazards to Humans & Domestic Animals

Caution.

Not for use on humans. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Hazards to Domestic Animals: For external use only. Do not use on animals under three months of age or on sick, old, debilitated or medicated pets. Do not use on cats. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur, bath your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Do not apply to horses or foals intended for slaughter.

Kills & Repels: Stable flies, horse flies, face flies, deer flies, house flies, horn flies, mosquitoes, gnats and ticks.

Storage & Disposal

Do not contaminate water, food, feed or treated or disposed.

Pesticide Storage: Store in a cool, dry place. Do not store near heat or open flame. Store pesticides away from food, pet food, feed, seed, fertilizers, and other supplies.

Container Handling: Nonrefillable container. Do not reuse or refill this container. If empty, Place in trash or offer for recycling, if possible. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwater. Buyer assumes all risk of use, storage and handling of this product not in strict accordance with directions given herein.

First Aid

If Swallowed
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If Inhaled
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

If In Eyes
- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If On Skin
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
