This product is exempt from registration with the Federal EPA under section 25 (b) of FIFRA. Finito has not been registered with the Environmental Protection Agency. Ecolab represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.

CAUTION: With direct contact, causes moderate skin and eye irritation. Avoid contact with eyes, skin and clothing.

FIRST AID
If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

FOR EMERGENCY MEDICAL INFORMATION IN THE US, CALL: 1-800-328-0026.

DIRECTIONS FOR USE
For use in and around but not limited to areas such as: Apartment buildings, atriums, bakeries, beverage plants, bottling facilities, breweries, cafeterias, candy plants, canneries, cereal processing and manufacturing plants, cruise ships, dairy barns, poultry facilities, flour mills, food processing plants, frozen food plants, hospitals, hotels, houses, industrial buildings, kennels, kitchens, laboratories, manufacturing facilities, mausoleums, meat processing and packaging plants, meat and vegetable canneries, motels, nursing homes, office buildings, restaurants, retail buildings, schools, stores, supermarkets, warehouses, other public buildings and similar structures, aircraft, buses, trucks, trailers, rail cars and marine vessels.

Application: Apply this product as a surface spray. This product provides contact kill when applied directly to crawling and flying insects. Including, but not limited to ants, cockroaches, bed bugs, spiders, house flies, fruit flies, and drain flies. For best results, apply in such a manner that insects are contacted directly with the liquid and become saturated. This product can be used while your facility is in operation, eliminating the need for preparation and evacuation.

Application Sites: May be used on countertops, food preparation areas and other places where pests are seen. After application wipe up product and dispose of the insects.

STORAGE & DISPOSAL
Store at room temperature in original container. Do not reuse container. Dispose in trash or offer for recycling if available.
