**Liquid Fence Snake Repellent**

**Timed-Release Granular Easy Shaker Bottle**

**Directions:** Remove cap and inner seal. Replace cap and tighten. (Retain and replace inner seal to preserve freshness during storage.)

For Overall Coverage: Apply Liquid Fence® Snake Repellent Granular evenly on and around areas where snakes are present such as lawns, patios, sidewalks, rocks, Flagstone and around exterior foundations. Although product is designed for outdoor use, it can be applied in crawlspaces. Testing a small area for odor tolerance is advised. For a perimeter barrier: Create a 2 to 3 foot wide band around property, buildings or landscaped garden areas.

Liquid Fence® Snake Repellent Granular shows repellency for up to 4 weeks. Repel as needed. Additional and/or more liberal applications may be required depending on the degree of snake infestation. This product is intended for outdoor use.

**How it works...**

The unique combination of ingredients in Liquid Fence® Snake Repellent irritate and confuse a snake's chemosensory systems (sense of taste and smell). When these senses are baffled, the snake is unable to gather information about its surrounding environment, forcing it to look elsewhere to survive. Its timed-release biodegradable formula makes this repellent highly-effective and long-lasting.

**Naphthalene-free means no worries!** Scientific studies have shown that naphthalene presents health hazards to both humans and animals. Liquid Fence® Snake Repellent contains no naphthalene.

**Active Ingredients:** Mint Oil 5.92%, Sodium Lauryl Sulfate 2.90%, Thyme Oil Water 1.30%, Fumigant Epoxy Solid 1.40%, Potassium Sorbate 0.14%

**Other Ingredients:** 62.5% Water, Corn Starch, Gelatin, Wheat Flour, Iron Oxide, Citric Acid, Sodium Bicarbonate, Guar Gum

The Liquid Fence® Company, Inc. represents that this product qualifies for an exemption from registration under FIFRA.

**Eco-Friendly** **Naphthalene-Free**
