DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO DISINFECT: Use a cloth to remove heavy soil. Unfold a clean cloth and thoroughly wet surface. Treated surface must remain visibly wet for a full three (3) minutes. Use additional cloth(s) if needed to assure continuous 3 minute wet contact time. CLEANING: Wipe surface with cloth until clean. Let air dry. Use Sites: Home, family areas, offices, playrooms, restrooms and general use. Hard Nonporous Use surfaces: Chairs, desks, office, finished floors, laminate flooring, linoleum, seats, toy boxes, and walls (washable).

FOR DISPENDING FLOOR WIPES:
1. Unfold the cloth.
2. Line up long side of cloth with long side of sweeper.
3. Wrap cloth along sweeper head so it is completely covered and push cloth into grippers.

PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals. CAUTION: Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash hands before eating, drinking, chewing gum, using tobacco, or using toilet. FIRST A ID IF EYEWASH: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

PHYSICAL OR CHEMICAL HAZARDS: Combustible. Do not use or store near heat or open flame. Do not use on natural marble, windows, unpainted wood, brass, clear plastic or colored glass.

Kills Pandemic 2009 H1N1 influenza A virus.
