**How to open:**
1. Remove product tubes from the package.
2. Separate one tube from the others.
3. Holding the tube with notched end pointing up and away from the face and body, cut off the narrow end at the notches with scissors.

**How to apply:**
1. Invert tube over dog and use open end to part dog’s hair.
2. Squeeze tube firmly to apply all of the solution to the dog’s skin as a spot to the dog’s back between the shoulder blades.

**DIRECTIONS FOR USE**
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE.
DO NOT USE ON PETS UNDER 12 WEEKS OF AGE OR OLDER.

**How to open:**
