**POWERS THROUGH HARD WATER STAINS**

- This product has a thick formula that coats above and below the waterline. This coating action provides longer contact time to help dissolve tough rust stains and mineral deposits on contact to make cleaning easier.
- Specially formulated to destroy hard water stains
- Cleans as it disinfects

---

**DIRECTIONS FOR USE:**

1. **To Open Child Resistant Cap:**
   - Hold bottle firmly with one hand on a flat surface. With other hand, squeeze sides of cap where indicated while turning counterclockwise. Do not remove cap. Do not squeeze bottle when opening. To resell, twist cap clockwise until tightly closed.
