DIRECTIONS FOR USE

TERRO® Wasp & Hornet Killer is designed to be used indoors. For best results, do not spray near windows or doors where insects may enter. Spray into the nest only. Insect kills are visible within minutes. When spraying outdoors, wear protective clothing and shoes. Do not spray directly on food or other surfaces. CAUTION: Do not inhale spray. Avoid contact with eyes, skin and clothing. Do not reuse container. Keep out of reach of children.

TERRO® Wasp & Hornet Killer contains an oil-based formula that is effective against wasps, hornets, yellow jackets, and bees. It is particularly effective against wasp and hornet nests. The product is safe for use around children and pets when used as directed.

STORAGE AND DISPOSAL

For indoor use only. Do not contaminate water, drainage systems, or Taoa. Do not reuse container. See label directions for disposal of empty container. DISPOSAL: Do not use or contaminate landfills or waterways by disposal in streams, ditches, ditches or cesspools. Rinse, store in a safe place. If empty, dispose of according to local law. MANTÉNCHASE FUERA DEL alcance De los niños.
