**PRODUCT FACTS**

- *Kills Over 200 Types of Brush and Vines*
- *See Results in Hours*
- *Ready to Use*

**WHAT IT DOES**

- Granular; spread on the surface of the soil
- Effective against many brush and vine species

**USES**

- Control kudzu, poison ivy/oak, and other tough brush
- **PRECAUTIONARY STATEMENTS**
- **Hazards to Humans and Domestic Animals**
  - **Danger:** May be fatal if swallowed, inhaled, or absorbed through skin.
  - **Danger:** Keep out of reach of children. Do not harming pets.
  - **Precaution:** Do not contaminate domestic or irrigation waters.
  - **Precaution:** Do not apply when weather conditions may contaminate water when disposing of equipment washwaters.
- **Environmental Hazards**
  - **Hazard:** Do not apply to areas intended for aquatic use, as use in these areas may result in drift to aquatic areas.
  - **Hazard:** Do not apply to areas adjacent to water bodies such as ponds, lakes, streams, or reservoirs.
  - **Hazard:** Do not apply to areas where drift may cause injury to human or domestic animals.
  - **Hazard:** Do not apply to areas where drift may cause damage to non-target vegetation, wildlife, or property.
  - **Hazard:** Do not apply to areas where drift may cause damage to non-target vegetation, wildlife, or property.
  - **Hazard:** Do not apply to areas where drift may cause damage to non-target vegetation, wildlife, or property.
  - **Hazard:** Do not apply to areas where drift may cause damage to non-target vegetation, wildlife, or property.

**MODE OF EMPLOY**

- **Application Instructions**
  - **WARNING:** Read the entire label carefully before using.
  - **APPLICATION:** Mix 1 oz (28.35 g) per gallon (3.78 l) of water and agitate thoroughly in a container that cleans the sprayer. Apply 24 oz (680.35 g) per 1,000 sq ft (92.91 m²) to the area to be treated. Do not apply more than 1 lb (0.45 kg) of active ingredient per 1,000 sq ft (92.91 m²) of treated area. Do not apply to areas where drift may cause damage to non-target vegetation, wildlife, or property.

**PACKAGING**

- **WARNING:** Store in original container in a cool, dry area away from heat sources and away from children.

**STORAGE AND DISPOSAL**

- **WARNING:** Do not contaminate water, food, or feed by storage or disposal. Do not contaminate water when disposing of equipment washwaters.

**PRECAUTIONARY STATEMENTS**

- **Hazards to Humans and Domestic Animals:**
  - **Danger:** May be fatal if swallowed, inhaled, or absorbed through skin.
  - **Danger:** Keep out of reach of children. Do not harm pets.
  - **Precaution:** Do not contaminate domestic or irrigation waters.
  - **Precaution:** Do not apply when weather conditions may contaminate water when disposing of equipment washwaters.
