READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS OR PUPPIES OVER 7 WEEKS OLD

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
-For external use on dogs only. Do not use this product on cats.
-Use only on dogs and puppies over the age of 7 weeks (1.8kg) and 3.6kg.

WARNING: Caution substantiate, but temporary eye injury, harmful if swallowed or absorbed through skin. DO NOT get in eyes or on clothing. Avoid contact with eyes. REMOVE and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco products.

Do not use this product on debilitated, aged, medicated, pregnant or nursing dogs, or dogs known to be sensitive to pesticide products without first consulting a veterinarian.

Individual sensitivity, such as allergic reactions, dermatitis, asthma or respiratory effects at the site of application, may occur after using this product. If signs of sensitivity occur, bathe your dog with mild soap and shampoo and rinse with large amounts of water. If signs of individual animal sensitivity occur and persist, contact your veterinarian. Have the product container or label with you when calling your veterinarian for advice.

DO NOT USE ON CATS: Due to their unique physiology and inability to metabolize certain components, this product must not be used on cats. If applied to a cat, or ingested by a cat that actively grooms a recently treated dog, this product may have serious harmful effects. If this occurs, contact your veterinarian immediately.

FIRST AID

If in eyes:
- Hold eye open and then slowly and gently with water for 5 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center, or doctor for treatment advice.

If swallowed:
- Call a poison control center, or doctor for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. If person is unresponsive or in shock, do not give anything by mouth to an unconscious person.

If on skin:
- Take off contaminated clothing. Wash skin immediately with plenty of water for 15 - 20 minutes. If skin appears irritated after rinsing call a poison control center or doctor, or 1-877-847-3950 after 6 pm EST call 1-888-428-4435 immediately for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may contact 1-877-847-3950 or after 6 pm EST call 1-888-428-4435 for emergency medical information.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

(Please read all warnings before using this product. See label for complete instructions.)

HOW TO APPLY

1. USE ONLY ON DOGS. DO NOT USE ON CATS OR OTHER ANIMALS.
2. Remove applicator from package.
3. The dog should be standing in a comfortable position for easy application.
4. Holding the applicator tube upright, pointing away from face, place thumb and index finger around the applicator tip under the large disk. With other hand, grasp the stem of applicator tip above smaller disk. Press down firmly on small disk until both disks meet, piercing the seal. See illustration.
5. Using the tip of the applicator, part the hair down to the level of the skin and slowly apply the product. Do not make superficial application to dog's hair.

6. Discard empty applicator tube as outlined in Storage and Disposal.
7. Repeat every month or as recommended by your veterinarian but not more often than every 30 days.

FOR OPTIMUM TREATMENT, COMBINE WITH A BROAD-SPECTRUM INDOOR DISINFECTANT TO KILL AND PREVENT RE-INFESTATION. SEE INSTRUCTIONS ON CARTON.

STORAGE AND DISPOSAL

Do not contaminate water, food or food by storage and disposal.

Storage: Store in a cool, dry place. Protect from freezing. Disposal: If empty, do not reuse the container. Place in trash or offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions.
Never place unused products down any indoor or outdoor drain.

LIMITED WARRANTY AND LIMITATION OF DAMAGES

Seller warrants that the material conforms to the chemical parameters of the US EPA registration and the label. To the extent consistent with applicable law, seller makes no warranty, express or implied, other than that indicated on the label. Buyer and user assume all risk of use and handling of this material. To the extent consistent with applicable law, any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profit or values.

Volume varies with size of animal for which package is intended and number of applicators per package. Actual volume will correspond to number of applicators.
